**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Economic Development - Division of Professional Registration (DED-PR)** state this proposal creates a registration for interior designers. Current statute has a registration for commercial interior designers. This proposal prohibits the use of the term "Registered Interior Designer" unless the individual is certified by the Interior Design Council. It is estimated that there will be approximately 400 applicants for registration upon passage of this proposal. The current fee for registration is \$250 and the registration is renewed biennially. A 3% growth rate has also been calculated. DED-PR assumes all costs can be covered by the council's current allotment.

**This proposal will increase Total State Revenue.**
