**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Jasper County** assume the proposal would have no fiscal impact counties.

Officials from the **Jefferson County** responded to Oversight's request but issued no fiscal impact statement.

**Oversight** assumes the proposal would specify an additional use for funds deposited into the County Sheriff's Revolving Fund. There is no change to the amount of deposits to the fund, only an additional use for the funds. Therefore, Oversight assumes no fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

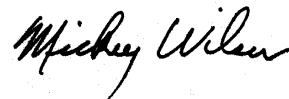

DESCRIPTION

The proposed legislation would add the reasonable expenses related to accepting and processing applications for certificates of qualification to obtain a concealed carry endorsement to the permissible uses of the county sheriff's revolving fund.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
