BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF MISSOURI, AS FOLLOWS:

Section A. Section 304.155, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 304.155, to read as follows:

304.155. 1. Any law enforcement officer within the officer's jurisdiction, or an officer of a government agency where that agency's real property is concerned, may authorize a towing company to remove to a place of safety:

(1) Any abandoned property on the right-of-way of:

(a) Any interstate highway or freeway in an urbanized area, left unattended for ten hours;

(b) Any interstate highway or freeway outside of an urbanized area, left unattended for forty-eight hours;

(c) Any state highway other than an interstate highway or freeway in an urbanized area, left unattended for more than ten hours; or

(d) Any state highway other than an interstate

highway or freeway outside of an urbanized area, left unattended for more than forty-eight hours; provided that commercial motor vehicles not hauling waste designated as hazardous under 49 U.S.C. 5103(a) may only be removed under this subdivision to a place of safety until the owner or owner's representative has had a reasonable opportunity to contact a towing company of choice;

(2) Any unattended abandoned property illegally left standing upon any highway or bridge if the abandoned property is left in a position or under such circumstances as to obstruct the normal movement of traffic where there is no reasonable indication that the person in control of the property is arranging for its immediate control or removal;

(3) Any abandoned property which has been abandoned under section 577.080, RSMo;

(4) Any abandoned property which has been reported as stolen or taken without consent of the owner;

(5) Any abandoned property for which the person operating such property is arrested for an alleged offense for which the officer is required to take the person into custody and where such person is unable to arrange for the property's timely removal;

(6) Any abandoned property which due to any other state law or local ordinance is subject to towing because of the owner's outstanding traffic or parking violations;

(7) Any abandoned property left unattended in violation of a state law or local ordinance where signs have been posted giving notice of the law or where the violation causes a safety hazard; or

(8) Any abandoned property illegally left standing on the waters of this state as defined in section 306.010, RSMo, where the abandoned property is obstructing the normal movement of traffic, or where the abandoned property has been unattended for more than ten hours or is floating loose on the water.

2. The state transportation department may immediately remove any abandoned, unattended, wrecked, burned or partially dismantled property, spilled cargo or other personal property from the roadway of any state highway if the abandoned property, cargo or personal property is creating a traffic hazard because of its position in relation to the state highway. In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, RSMo, the department's authority under this subsection shall be limited to authorizing a towing

company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

3. Any law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved from the immediate vicinity shall complete a crime inquiry and inspection report. Any state or federal government agency other than a law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved away from the immediate vicinity in which it was abandoned shall report the towing to the state highway patrol or water patrol within two hours of the tow along with a crime inquiry and inspection report as required in this section. Any local government agency, other than a law enforcement agency, authorizing a tow pursuant to this section where property is towed away from the immediate vicinity shall report the tow to the local law enforcement agency within two hours along with a crime inquiry and inspection report.

4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the

statewide law enforcement computer system. If the abandoned property is not claimed within ten working days of the towing, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

(1) The year, model, make and property identification number of the property and the owner and any lienholders, if known;

(2) A description of any damage to the property noted by the officer authorizing the tow;

(3) The license plate or registration number and the state of issuance, if available;

(4) The storage location of the towed property;

(5) The name, telephone number and address of the towing company;

(6) The date, place and reason for the towing of the abandoned property;

(7) The date of the inquiry of the national crime information center, any statewide Missouri law

enforcement computer system and any other similar system which has titling and registration information to determine if the abandoned property had been stolen. This information shall be entered only by the law enforcement agency making the inquiry;

(8) The signature and printed name of the officer authorizing the tow and the towing operator; and

(9) Any additional information the director of revenue deems appropriate.

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real

property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. The company holding or storing the property shall be strictly liable for the condition and safe return of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the

authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, RSMo, any towing company who has complied with the notification provisions in section 304.156, including notice that any property remaining unredeemed after ninety days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least

ninety days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator to the director of revenue within two weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three years that shall be available for inspection by law enforcement and authorized department of revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator and copies of all notifications issued by the towing company as required in this chapter. Scrap metal operators shall keep a record of the purchase of such property as provided in section 301.227, RSMo.
