

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-SECOND DAY, TUESDAY, MAY 4, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

O God, You are the Father of all who are willing to be Your sons and daughters. Thank You for inviting and calling us to live in family relationship with You.

We, one and all, thank You for our family at home. Our family is our most precious asset; You have willed it so. You have established the family as the basic cell of human society. Give us Your understanding of healthy family life. Give us Your understanding of marriage; You have made it the foundation for family life.

Help us to do our part in developing policies and laws that help families to stay together and that reward responsibility and sacrifice for children.

We pray for those who have traveled away from their families in the service of our country. Keep them safe and bring them home soon to their loved ones.

We pray to You who are our God forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Patrick Whalen, Brent Stump, Miranda Waddell, Allison Ericson, Megan Ohroeke, Weston Wood, Glenn Petty, Taylor Huhmann, Eddie Humphries, Tanner Hansuld, Hannah Steele, Marcus Taylor, Stephanie Whelan, Brody Zink and Nicholas Argint.

The Journal of the sixty-first day was approved as corrected.

MESSAGE FROM THE SENATE

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS HS HCS HB 978**, entitled:

An act to repeal section 536.010, RSMo, and to enact in lieu thereof six new sections relating to small businesses.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND Senate Substitute for House Substitute for House Committee Substitute for House Bill No. 978, Page 10, Section 536.325, Line 8 of said page, by inserting after all of said line the following:

“Section 1. 1. Effective one hundred eighty days from the effective date of this act, every liquefied petroleum gas supplier registered to do business in Missouri in accordance with section 323.060, RSMo, and every broker or wholesale supplier of propane to a residential, commercial, or agricultural end-user shall demonstrate the ability to respond in damages for personal injury or property damages. The minimum amount of financial responsibility shall be in the amount of one million dollars per occurrence with an annual aggregate of one million dollars.

2. A liquefied petroleum gas supplier may use either of the following mechanisms to demonstrate financial responsibility required in subsection 1 of this section:

(1) A liquefied petroleum gas supplier may elect to provide a signed affidavit in accordance with regulations promulgated by the department of agriculture certifying that such company has and will maintain financial responsibility during the period of registration. The affidavit shall state clearly: “Any false affidavit is a crime under section 575.050 of Missouri law.”;

(2) A liquefied petroleum gas supplier may obtain liability insurance as an endorsement to an existing policy or as a separate policy from a qualified insurer or risk retention group. Each insurance policy shall be issued by an insurer or risk retention group that is licensed to transact the business of insurance or eligible to provide insurance as an excess or surplus lines insurer in one or more states. The supplier's certificate of insurance must be made available upon request by the department.

3. A liquefied petroleum gas supplier who is unable to demonstrate the level of financial responsibility required in subsections 1 or 2 of this section upon request of the department shall be prohibited from filling containers until such proof is provided and is acceptable to the department, except as hereby provided.

4. In the event a registered propane supplier is non-renewed by its insurance carrier, the supplier shall have a maximum of one hundred twenty days to secure suitable coverage in order to qualify to fill containers.

5. Propane suppliers registered in accordance with section 323.060, RSMo, and in compliance with the provisions of subsection 1 of this section shall not be held liable for damages in excess of the limits of this provision by any court action or jury decision rendered as long as this provision remains in effect.”; and

6. Any action brought pursuant to this section may be in addition to or in lieu of any penalty provided by sections 209.285 to 209.339 and may be brought concurrently with other actions to enforce sections 209.285 to 209.339.”; and

Further amend the title and enacting clause accordingly.

“169.560. 1. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in any capacity in a district included in the retirement system created by those sections on either a part-time or temporary-substitute basis not to exceed a total of five hundred fifty hours in any one school year, and through such employment may earn up to fifty percent of the annual compensation payable under the employing district's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the employing school district does not utilize a salary schedule, or if the position in question is not subject to the employing district's salary schedule, a retiree employed in accordance with the provisions of this [section] **subsection may earn up to fifty percent of the annual compensation paid to the person or persons who last held such position or positions. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed fifty percent of the annual**

compensation payable for the position in the employing school district that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the fifty-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system or to the nonteacher school employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment. If such a person is employed in any capacity by such a district on a regular, full-time basis, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed and shall contribute to the retirement system.

2. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in a district included in the retirement system created by those sections in a certified staff position paid on the regular teachers' salary schedule on either a part-time or temporary-substitute basis for more than five hundred fifty hours but not to exceed a total of eight hundred hours in any one school year, and through such employment may earn up to seventy-five percent of the annual compensation payable under the employing district's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed seventy-five percent of the annual compensation payable for the position in the employing school district that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the seventy-five-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system because of earnings during such period of employment, and the district shall contribute to the retirement system on the basis of such earnings at the percentage rate established pursuant to this chapter for full-time employees of the retirement system. Such a person shall not accrue service credit upon the basis of employment authorized pursuant to this subsection. If such a person is employed in any capacity by such a district on a regular, full-time basis, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed and shall contribute to the retirement system.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 3

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 22, Section 167.052, Line 4, by inserting after all of said line the following:

“167.231. 1. Within all school districts except metropolitan districts the board of education shall provide transportation to and from school for all pupils living more than three and one-half miles from school and may provide transportation for all pupils. State aid for transportation shall be paid as provided in section 163.161, RSMo, only on the basis of the cost of pupil transportation for those pupils living one mile or more from school, including transportation provided to and from publicly operated university laboratory schools; **except that in districts which are no more than fifteen square miles in size, transportation costs for students who live less than one mile from their assigned school may be considered as reimbursable miles when the district can demonstrate that such students are required to cross a state highway, county arterial, or other major barrier that constitutes a safety problem.** The board of education may provide transportation for pupils living less than one mile from school **who do not face safety problems** at the expense of the district and may prescribe reasonable rules and regulations as to eligibility of pupils for transportation. If no increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from the school, the board may transport said pupils. If an increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from school, the board shall submit the question at a public election. If a two-thirds majority of the voters voting on the question at the election are in favor of providing the transportation, the board shall arrange and provide therefor.

2. The proposal and the ballots may be in substantially the following form:

Shall the board of education of the school district provide transportation at the expense of the district for pupils living less than one mile from school and be authorized to levy an additional tax of cents on the one hundred dollars assessed valuation to provide funds to pay for such transportation service?

YES

NO

(If you are in favor of the proposition (or question), place an X in the box opposite “YES”. If you are opposed to the proposition (or question), place an X in the box opposite “NO”.)

3. The board of education of any school district may provide transportation to and from school for any public school pupil not otherwise eligible for transportation under the provisions of state law, and may prescribe reasonable rules and regulations as to eligibility for transportation, if the parents or guardian of the pupil agree in writing to pay the actual cost of transporting the pupil. The minimum charge would be the actual cost of transporting the pupil for ninety school days, which actual cost is to be determined by the average per pupil cost of transporting children in the school district during the preceding school year. The full actual cost shall be paid by the parent or guardian of the pupil and shall not be paid out of any state school aid funds or out of any other revenues of the school district. The cost of transportation may be paid in installments, and the board of education shall establish the cost of the transportation and the time or times and method of payment.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 4

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 4, Section 160.254, Line 42, by inserting immediately after said line the following:

“160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to teachers and other school district employees with a need to know. For the purposes of this chapter or chapter 167, RSMo, “need to know” is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase “act of school violence” or “violent behavior” means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002, RSMo, to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following felonies, or any act which if committed by an adult would be one of the following felonies:

- (1) First degree murder under section 565.020, RSMo;
- (2) Second degree murder under section 565.021, RSMo;
- (3) Kidnapping under section 565.110, RSMo;
- (4) First degree assault under section 565.050, RSMo;
- (5) Forcible rape under section 566.030, RSMo;
- (6) Forcible sodomy under section 566.060, RSMo;
- (7) Burglary in the first degree under section 569.160, RSMo;
- (8) Burglary in the second degree under section 569.170, RSMo;
- (9) Robbery in the first degree under section 569.020, RSMo;
- (10) Distribution of drugs under section 195.211, RSMo;

- (13) Voluntary manslaughter under section 565.023, RSMo;
- (14) Involuntary manslaughter under section 565.024, RSMo;
- (15) Second degree assault under section 565.060, RSMo;

- (16) Sexual assault under section 566.040, RSMo;
- (17) Felonious restraint under section 565.120, RSMo;
- (18) Property damage in the first degree under section 569.100, RSMo;
- (19) The possession of a weapon under chapter 571, RSMo;
- (20) Child molestation in the first degree pursuant to section 566.067, RSMo;
- (21) Deviate sexual assault pursuant to section 566.070, RSMo;
- (22) Sexual misconduct involving a child pursuant to section 566.083, RSMo; or
- (23) Sexual abuse pursuant to section 566.100, RSMo;

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

- (1) The superintendent, or in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and
- (2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

4. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010, RSMo: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

5. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

6. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policy of discipline developed by each board under this section, or when reporting to his or her supervisor or other person as mandated by state law, acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

7. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. Acts of violence as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020, RSMo, to any school district in which the student subsequently attempts to enroll.

8. Spanking, when administered by certificated personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210, RSMo. The provisions of sections 210.110 to 210.165, RSMo, notwithstanding, the division of family services shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to any spanking administered in a reasonable manner by any certificated school personnel pursuant to a written policy of discipline established by the board of education of the school district. Upon receipt of any reports of child abuse by the division

of family services pursuant to sections 210.110 to 210.165, RSMo, which allegedly involves personnel of a school district, the division of family services shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the division of family services and take no further action. In all matters referred back to the division of family services, the division of family services shall treat the report in the same manner as other reports of alleged child abuse received by the division. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the juvenile officer of the county in which the alleged incident occurred. The report shall be jointly investigated by the juvenile officer or a law enforcement officer designated by the juvenile officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by the juvenile officer or a law enforcement officer designated by the juvenile officer and the president of the school board or such president's designee. The investigation shall begin no later than forty-eight hours after notification from the division of family services is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the division of family services. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated. The school board shall consider the separate reports and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school board personnel agree that the evidence shows that no abuse occurred;

(2) The report of the alleged child abuse is substantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel agree that the evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

9. The findings and conclusions of the school board shall be sent to the division of family services. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the division of family services' central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the division of family services shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the division of family services shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the division of family services unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

10. Any superintendent of schools, president of a school board or such person's designee or juvenile officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

11. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.”; and

Further amend the title and enacting clause accordingly.

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 45, Section 169.596, Line 8, by inserting after “superintendent” the following:

“unless the district has a shortage of superintendents, as determined by both the school district and the state board of education”.

Senate Amendment No. 7

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 49, Section 209.321, Line 30, by inserting immediately after said line the following:

“210.145. 1. The division shall establish and maintain an information system operating at all times, capable of receiving and maintaining reports. This information system shall have the ability to receive reports over a single, statewide toll-free number. Such information system shall maintain the results of all investigations, family assessments and services, and other relevant information.

2. Upon receipt of a report, the division shall immediately communicate such report to its appropriate local office and any relevant information as may be contained in the information system. The local division staff shall determine, through the use of protocols developed by the division, whether an investigation or the family assessment and services approach should be used to respond to the allegation. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child.

3. The local office shall contact the appropriate law enforcement agency immediately upon receipt of a report which division personnel determine merits an investigation, or, which, if true, would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024 or 565.050, RSMo, if the victim is a child less than eighteen years of age, section 566.030 or 566.060, RSMo, if the victim is a child less than eighteen years of age, or other crime under chapter 566, RSMo, if the victim is a child less than eighteen years of age and the perpetrator is twenty-one years of age or older, section 567.050, RSMo, if the victim is a child less than eighteen years of age, section 568.020, 568.030, 568.045, 568.050, 568.060, 568.080, or 568.090, RSMo, section 573.025, 573.037 or 573.045, RSMo, or an attempt to commit any such crimes. The local office shall provide such agency with a detailed description of the report received. In such cases the local division office shall request the assistance of the local law enforcement agency in all aspects of the investigation of the complaint. The appropriate law enforcement agency shall either assist the division in the investigation or provide the division, within twenty-four hours, an explanation in writing detailing the reasons why it is unable to assist.

4. The local office of the division shall cause an investigation or family assessment and services approach to be initiated immediately or no later than within twenty-four hours of receipt of the report from the division, except in cases where the sole basis for the report is educational neglect. If the report indicates that educational neglect is the only complaint and there is no suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two hours of receipt of the report. If the report indicates the child is in danger of serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. If the parents of the child are not the alleged abusers, a parent of the child must be notified prior to the child being interviewed by the division. The division shall not meet with the child [at the child's school or child-care facility] **in any school building or child care facility building where abuse of such child is alleged to have occurred**. When the child is reported absent from the residence, the location and the well-being of the child shall be verified.

5. The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child

attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison or the school shall be subject to the provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C., Section 1232g, and federal rule 34 C.F.R., Part 99.

6. The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

7. When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

8. Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

9. Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.

10. If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

11. If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

(1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;

(2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division may commence an investigation;

(3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;

(4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

12. Within thirty days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information. The division shall complete all investigations within thirty days, unless good cause for the failure to complete the investigation is documented in the information system. If the investigation is not completed within thirty days, the information system shall be updated at regular intervals and upon the completion of the investigation. The information in the information system shall be updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

13. A person required to report under section 210.115 to the division shall be informed by the division of his right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. A person required to report to the division pursuant to section 210.115 may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the mandated reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond

to the request within forty-five days. The findings shall be made available to the mandated reporter within five days of the outcome of the investigation.

14. In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However, nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made.

15. In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services pursuant to subdivision (d) of subsection 1 of section 211.031, RSMo, and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

16. The division of family services is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021, RSMo, and chapter 536, RSMo, to carry out the provisions of sections 210.109 to 210.183.

17. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.”; and

Further amend said bill, Page 53, Section B, Line 2, by striking the second “and”; and

Further amend said line by inserting after “168.515” the following “**and 210.145**”; and

Further amend the title and enacting clause accordingly.

(1) A current version of that district's policy manual and all related documents; and

(2) A current version of that district's handbook, or, if the district has more than one handbook, handbooks.”; and

 - a. Such plan or contract was established by or under the auspices of an insider that employed such person at the time such person's rights under such plan or contract arose;
 - b. Such payment is on account of age or length of service; and
 - c. Such plan or contract does not qualify under Section 401(a), 403(a), 403(b), 408, 408A or 409 of the Internal Revenue Code of 1986, as amended, (26 U.S.C. 401(a), 403(a), 403(b), 408, 408A or 409);

except that any such payment to any person shall be subject to attachment or execution pursuant to a qualified domestic relations order, as defined by Section 414(p) of the Internal Revenue Code of 1986, as amended, issued by a court in any proceeding for dissolution of marriage or legal separation or a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of marital property at the time of the original judgment of dissolution;

For the purposes of this section, when the fraudulently conveyed funds are recovered and after, such funds shall be deducted and then treated as though the funds had never been contributed to the plan, contract, or trust;

(11) The debtor's right to receive, or property that is traceable to, a payment on account of the wrongful death of an individual of whom the debtor was a dependent, to the extent reasonably necessary for the support of the debtor and any dependent of the debtor.

2. Nothing in this section shall be interpreted to exempt from attachment or execution for a valid judicial or administrative order for the payment of child support or maintenance any money or assets, payable to a participant or beneficiary from, or any interest of any participant or beneficiary in, a retirement plan which is qualified pursuant to Section 408A of the Internal Revenue Code of 1986, as amended.
