

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-SIXTH DAY, MONDAY, MAY 10, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, our requests have gone before You, our prayers are answered. You have been our constant companion throughout this session and we are forever grateful.

Through the highs and the lows, laughter and sorrow, agreements and disagreements, You have not abandoned us. Your grace and mercy is to us a perpetual guide.

May our hearts and minds be in tune with Your plan for this week. We surrender our plans to Yours; our days are ordained of You. Our times are in Your hands.

We began a good and noble work this year, help us see it to completion and may we finish well.

May Your grace rest and abide with us all...

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-fifth day was approved as corrected.

Relating to the Forestry Utilization Committee.

WHEREAS, the forestry industry is a vital industry to Missouri, representing over fourteen million acres of Missouri timberland, which ranks our state seventh out of the twenty northeastern timber states, supports the bulk of Missouri recreation and tourism, directly provides thousands of jobs and supports tens of thousands of jobs where forest land and products are a vital component, directly generates three billion dollars of revenue, and indirectly supports the generation of many more billions of dollars in revenue; and

WHEREAS, the General Assembly wishes to maintain and enhance the positive economic contribution of this industry while making every attempt to minimize environmental harm and other negative aspects of the industry; and

WHEREAS, the industries' current practice of harvesting sixty percent of the tree, and its predominant production of low value-added products, limits the potential economic contribution to industry participants and to the state; and

WHEREAS, there exists a need for a study of the potential for increased industrial strength and rural economic gains to be realized by forestry adopting modern industrial business models and value-added techniques:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby authorize the creation of a "Forestry Utilization Committee", which shall review and evaluate both the industrial and economic impact of forestry utilization and make recommendations on further action or legislative remedies, if any, to be taken as necessary; and

Each member of the committee shall serve until December 31, 2005. A chairman, vice-chairman, and secretary shall be elected by the membership of the committee to conduct the business of the committee; and

BE IT FURTHER RESOLVED that the committee may conduct its business by various means but shall meet no less than twice each year as a full committee; and

BE IT FURTHER RESOLVED that all state agencies shall cooperate with the committee in carrying out its duties, including allowing access to closed records, as permitted by law, provided that the committee shall not disclose any identifying information contained in such records closed pursuant to statute or general order, and any such information in the custody of the committee shall not be discoverable to the same extent as when in the custody of the parent agency; and

BE IT FURTHER RESOLVED that all members shall serve without compensation; and

BE IT FURTHER RESOLVED that the Office of Administration shall provide minimal funding, administrative support, and staff for the effective operation of the committee; and

BE IT FURTHER RESOLVED that the committee shall study problems and solutions, collect information, and provide recommendations in a report to the General Assembly before July 30, 2005; and
