13 companies in the state on the basis of a weighted formula to be established by the director, which
14 will take into consideration their total assets, as reflected in the last preceding report called for

21 assessment shall be sent by the director to each bank and trust company on or before July first.
22 One-half of the amount so assessed to each bank or trust company shall be paid by it to the state

45 "Division of Finance Fund", which is hereby created and which shall be devoted solely to the
46 payment of expenditures actually incurred by the division and attributable to the regulation of
47 banks, trust companies, and other corporations subject to the jurisdiction of the division. Any
48 amount, other than the **amount not to exceed** fifteen percent for supporting services and the
49 amount of fringe benefits described in subsection 1 of this section, remaining in such fund at the
50 end of any fiscal year [up to five percent of the amount assessed to the banks and trust companies

51 pursuant to subsection 1 of this section] **and any earnings attributed to such fund** shall not
 52 be transferred and placed to the credit of the general revenue fund as provided in section 33.080,
 53 RSMo, but shall be applicable by appropriation of the general assembly to the payment of such
 54 expenditures of the division in the succeeding fiscal year and shall be applied by the division to
 55 the reduction of the amount to be assessed to banks and trust companies in such succeeding fiscal
 56 year; provided the **amount not to exceed** fifteen percent for supporting services and the amount

35 pursuant to this chapter to a special fund to be known as the "Division of Credit Unions Fund",
36 which is hereby created and which shall be devoted solely and exclusively to the payment of
37 expenditures actually incurred by the division and attributable to the regulation of credit unions.
