DESCRIPTION

Currently, a student who is wearing any emblem, insignia, or garment in a nondisruptive manner cannot be asked to remove it. This bill restricts the emblem, insignia, or garment to a religious one and adds a provision that permits the student to be instructed not to wear the garment to school again if the emblem or insignia is placed on a garment that the school has prohibited as contrary to its educational mission.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
