FISCAL IMPACT - Small Business

Small businesses whose employees have postponed jury service could experience a fiscal impact as a result of this proposal.

DESCRIPTION

The proposed legislation would revise the laws on exclusion from jury service and postponement of jury service. The excused would provide the judge with documentation as required by the judge. When postponement of jury service has been requested, the court would set the month on which the prospective juror would appear. Under current law, the prospective juror fixes a date on which he would appear.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
