DESCRIPTION

Currently, licenses cannot be granted for liquor sales within 100 feet of any school or church. This proposal creates an exception to the prohibition for church, school, civic, service, fraternal, veteran, political, or charitable clubs or organizations observing Fourth of July celebrations or which are exempt from federal taxes. Premises holding licenses issued prior to January 1, 2004, are also exempt from the prohibition.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
