FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development - Division of Professional Registration** and **Office of State Courts Administrator** assume this proposal would not fiscally impact their agencies.

Officials from the **Department of Health and Senior Services (DOH)** assume this proposal would not fiscally impact the DOH. DOH states if an impact were to result, funds to support the program would be sought through the appropriations process.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

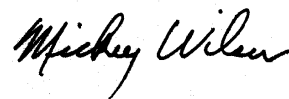

This proposal gives hospital medical staff the right to self-govern when establishing certain provisions of medical bylaws, rules, or regulations; selecting and removing medical staff officers; assessing and utilizing medical staff dues; retaining an attorney; and the initiation and adoption of bylaws, rules, regulations, or amendments.

The medical staff and hospital governing board will meet to resolve any dispute arising under this provision. Once all administrative remedies have been exhausted, a court of competent jurisdiction may resolve the dispute.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
