FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Deputy Commissioner's Office** assume the proposal would have no fiscal impact on the Office of Administration - Commissioner's Office. If the amendment is submitted to the voters at the next general election. However, the Commissioner's Office would be affected if a special election were called to adopt this amendment to article VII of the Constitution.

Officials from the **Attorney General's Office** and **House of Representatives** assume no fiscal impact to their agency.

Officials from the **State Senate** and **Secretary of State's Office** did not respond.

DESCRIPTION

This proposed constitutional amendment requires, upon voter approval, impeachments to be tried by the Senate. If the Governor is to be tried, the Chief Justice of the Missouri Supreme Court will preside. No person will be convicted without a two-thirds vote by all senators present. Currently, impeachments are tried before the Missouri Supreme Court or a special commission of seven jurists selected by the Senate.

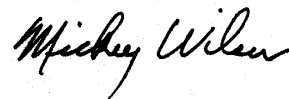

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
