44 duly certified under the law governing the certification of teachers who is a full-time employee
45 at any time during the period extending from June 14, 1989, through December 31, 1989, and
46 is contributing because of such employment to the retirement system established under sections
47 169.010 to 169.140, RSMo, may elect to continue in that retirement system if such election is
48 made on or before December 31, 1989. This election shall not apply to any such person who
49 commenced receiving retirement benefits prior to January 1, 1990, from any state retirement
50 system because of such service.

51 5. On June 14, 1989, all newly employed persons in the positions described in subsection
52 3 of this section shall become members of the Missouri state employees' retirement system.
53 Effective January 1, 1990, and only after an affirmative referendum provided for in subsection
54 4 of this section, all newly employed persons in the positions described in subsection 4 of this
55 section shall become members of the Missouri state employees' retirement system.

56 6. Any employee actively employed on June 14, 1989, who, because of employment in
57 a position described in subsection 1, 3 or 4 of this section, has creditable service in this system

58 for such employment which at the time the service was rendered was not covered by the federal
59 Social Security Act, shall remain in this system and be entitled to the benefits provided under
60 subdivision (1) of subsection 7 of this section; except that any such employee who has creditable
61 service in this system because of employment in a position described in subsection 4 of this
62 section which is not covered by the federal Social Security Act on January 1, 1990, shall not be
63 entitled to the benefits provided under subdivision (1) of subsection 7 of this section for such
64 creditable service.

65 7. Any person entitled to make the election provided by subsection 3 or 4 of this section,
66 who does not make such election, in writing, on or before December 31, 1989, shall be deemed
67 to have elected to be governed by subdivision (1) of this subsection:

68 (1) Those persons described in subsections 3 and 4 of this section who elect or have
69 elected by written request filed with the board to be members of this system, shall be entitled to
70 creditable prior service for service rendered in any of the positions described in subsections 1,
71 3 and 4 of this section. Any person who so elects shall be eligible, upon written request filed
72 with the board on or before March 31, 1990, with the retirement system established under
73 sections 169.010 to 169.140, RSMo, or sections 169.410 to 169.540, RSMo, to receive a refund
74 of the member's accumulated contributions for the creditable service in any of the positions
75 described in subsections 1, 3 and 4 of this section, plus interest at an annual rate of six percent
76 computed on the refundable balance, if any, in the member's account in that retirement system
77 as of June 30, 1989. Such refunds shall be made prior to June 1, 1990. If any creditable prior
78 service transferred under subsection 1, 3 or 4 of this section, or subsection 3 of section 104.372,
79 includes periods of service not covered by the federal Social Security Act, as provided in sections
80 105.300 to 105.445, RSMo, then, in calculating the benefit amount payable to such member, the
81 normal annuity shall be an amount equal to two and one-tenth percent of the average
82 compensation of the member multiplied by the number of years of such creditable service for the
83 positions described in subsections 1, 3 and 4 of this section not covered by the federal Social
84 Security Act in addition to an amount payable under section 104.374 for all service covered by
85 the federal Social Security Act. The normal annuity as described in this subdivision shall be
86 adjusted for early retirement, if applicable;

87 (2) Any person described in subsections 3 and 4 of this section, who elects to remain in
88 one of the retirement systems established under sections 169.010 to 169.140, RSMo, or sections
89 169.410 to 169.540, RSMo, shall, notwithstanding any provision of chapter 169, RSMo, to the
90 contrary, be a noncontributing member of such system and shall receive a refund of the member's
91 accumulated contributions for the creditable service in any of the positions described in
92 subsection 1, 3 or 4 of this section, plus interest at an annual rate of six percent computed on the
93 refundable balance, if any, in the member's account in that retirement system as of June 30, 1989.

94 Such refunds shall be made prior to June 1, 1990. At the time of retirement under the provisions
95 of sections 169.010 to 169.140, RSMo, or sections 169.410 to 169.540, RSMo, such person shall
96 receive a retirement benefit computed under the then existing law of that retirement system;
97 except that, for any person employed in a position described in subsection 4 of this section, the
98 benefit shall be the amount computed as though the position were not covered by the federal
99 Social Security Act, reduced by the amount of any federal Social Security benefit the person may
100 receive which is attributable to service rendered in the positions described in subsection 4 of this
101 section after December 31, 1989.

102 8. Upon payment of the refunds provided in subdivision (1) of subsection 7 of this
103 section, each refunding retirement system shall pay to the state employees' retirement system,
104 by December 31, 1990, an amount actuarially determined to equal the liability transferred from
105 such retirement systems. At least ninety days before each regular session of the general assembly
106 the board of trustees of the affected public school retirement system shall certify to the division
107 of budget an actuarially determined estimate of the amount which will be necessary during the
108 next appropriation period to pay all liabilities, including costs of administration, which shall exist
109 or accrue under subsections 1 through 7 of this section during such period. The estimate shall
110 be computed as a level percentage of payroll [compensation] **contribution** to cover the normal
111 cost and to amortize the accrued liability over a period not to exceed forty years. The
112 commissioner of administration shall request appropriation of the amount calculated under the
113 provisions of this subsection. The commissioner of administration monthly shall requisition and
114 certify the payment to the executive secretary of the appropriate school retirement system.

115 9. Notwithstanding any provisions of chapter 169, RSMo, to the contrary, any member
116 who becomes a member under the provisions of subsection 2, 5, or 7 of this section and who has
117 creditable service with a public school retirement system under that chapter because of
118 employment with any employer other than those defined in subsection 1, 3, or 4 of this section
119 shall immediately vest in that public school retirement system and upon attainment of the
120 minimum retirement age of that system shall be entitled to a monthly benefit based on such
121 creditable service and the law in effect at that time, provided the person does not elect to
122 withdraw the member's accumulated contributions for such creditable service from that public
123 school retirement system.

124 10. Effective July 1, 1988, the Lincoln University board of curators shall terminate the
125 Lincoln University retirement, disability and death benefit plan and shall purchase through
126 competitive bids annuities adequate to cover the liability for all benefits presently being paid
127 from such plan to former employees or their surviving beneficiaries upon the death of the
128 employee as provided by such plan at the time of the commencement of benefits to such former
129 employees or beneficiaries. Lincoln University shall pay to the Missouri state employees'

130 retirement system on or before July 1, 1988, an amount equal to all funds and securities thereon
131 contained in the Lincoln University retirement, disability and death benefit plan less the amount
132 needed to purchase annuities for retiree and survivor benefits.

133 11. Effective July 1, 1988, the Lincoln University board of curators shall certify to the
134 board of trustees of the Missouri state employees' retirement system all persons eligible to
135 receive but not yet receiving benefits under the Lincoln University retirement, disability and
136 death benefit plan, for service prior to June 30, 1988, together with the amounts payable and
137 supporting documentation as to the methods, plan provisions and data used to calculate such
138 benefits, to the satisfaction of the board of trustees of the Missouri state employees' retirement
139 system, and the Missouri state employees' retirement system shall assume responsibility for
140 payment of such benefits in the future.

141 12. Any person employed on a full-time basis by Lincoln University on or after July 1,
142 1988, shall become a member of the Missouri state employees' retirement system, and may elect
143 in writing to receive creditable prior service for all full-time service to Lincoln University if such
144 service is not now credited the member under the Missouri state employees' retirement system,
145 and provided the member elects in writing to forfeit all rights accrued under the Lincoln
146 University retirement, disability and death benefit plan for such service.

147 13. (1) Any person who is employed by Harris-Stowe State College as a teacher or
148 administrator on August 28, 1995, who was employed full time by Harris-Stowe College prior
149 to September 1, 1978, who became a member of the Missouri state employees' retirement system
150 on or after September 1, 1978, and who has been continuously employed by the college, may
151 purchase creditable prior service for any service rendered to Harris-Stowe College prior to
152 September 1, 1978, which is not otherwise credited under the Missouri state employees'
153 retirement system, not to exceed twelve years;

154 (2) Any person eligible to purchase creditable prior service under the provisions of
155 subdivision (1) of this subsection may make written application to the board of trustees of the
156 Missouri state employees' retirement system prior to retirement, but not later than April 1, 1996.
157 The purchase shall be effected by the member and the public school retirement system of which
158 the member was previously a member paying to the Missouri state employees' retirement system
159 the following amounts:

160 (a) The amount contributed by the employee to the St. Louis public school retirement
161 system during the years of prior service with Harris-Stowe College for which the employee seeks
162 to purchase creditable prior service in the Missouri state employees' retirement system, including
163 interest which may have been credited to the member's individual account with the system, or
164 which would have been credited to the account had it remained with the St. Louis public school
165 retirement system; and

166 (b) An amount which shall not be less than zero and which shall equal the actuarial
167 accrued liability of the St. Louis public school retirement system for the prior service, determined
168 as of the transfer date as if the member were still in active service covered by the St. Louis public
169 school retirement system, less the amount stipulated in paragraph (a) of this subdivision;

170 (c) If the member had received a refund of contributions related to service covered by
171 the St. Louis public school retirement system, the amount stipulated in paragraph (a) of this
172 subdivision shall be paid to the Missouri state employees' retirement system by the member,
173 otherwise, such amount shall be paid to the Missouri state employees' retirement system by the
174 St. Louis public school retirement system;

175 (3) Any amount payable to the Missouri state employees' retirement system by the
176 member may be paid in a lump sum or in monthly installments. If paid in monthly installments,
177 the period over which payments are being made may not extend beyond the earlier of the
178 member's retirement date or April 1, 1997, and shall include interest at a rate established by the
179 board of trustees of the Missouri state employees' retirement system;

180 (4) Any amounts payable to the Missouri state employees' retirement system by the St.
181 Louis public schools retirement system shall be paid in a lump sum and shall not be paid later
182 than the earlier of the member's retirement date or April 1, 1997, and shall include interest at a
183 rate established by the board of trustees of the Missouri state employees' retirement system;

184 (5) Any person who elects to purchase creditable prior service under the provisions of
185 this section shall file with the St. Louis public school retirement system an irrevocable waiver
186 and release of any rights and benefits in that system for the creditable prior service being
187 purchased. The member shall file with the Missouri state employees' retirement system a copy
188 of the waiver and an affidavit stating that he or she is no longer eligible to receive benefits or
189 credits in any other retirement system for the creditable prior service being purchased;

190 (6) All retirement plans defined under section 105.660, RSMo, shall develop a
191 procurement action plan for utilization of minority and women money managers, brokers and
192 investment counselors. Such retirement systems shall report their progress annually to the joint
193 committee on public employee retirement and the governor's minority advocacy commission.

194 14. In no event shall any person receive service credit for the same period of service
195 under more than one retirement system.

104.344. Notwithstanding any other law to the contrary, any person who is actively
2 employed by the state of Missouri in a position covered by a retirement plan administered by the
3 Missouri state employees' retirement system and who had nonfederal full-time public
4 employment in the state of Missouri [or who had provided full-time services for compensation
5 to the state of Missouri under a contract], and who by virtue of such employment was a member
6 of a retirement system or other employer-sponsored retirement plan other than the Missouri state

7 employees' retirement system but is not vested in such other retirement system or plan, or was
8 not a member of any retirement system or plan, may elect, prior to retirement, to purchase all of
9 the member's creditable prior service but not to exceed four years for such service in any plan
10 administered by the Missouri state employees' retirement system in which the person is receiving
11 service credit for active employment or is eligible for a deferred annuity. The purchase shall be
12 effected by the person paying to the Missouri state employees' retirement system an amount
13 equal to what would have been contributed by the state in his or her behalf had the person been
14 a member for the period for which he or she is electing to purchase credit and had the person's
15 compensation during such period been the same as the annual salary rate at which the person was
16 initially employed in a position covered by a plan administered by the Missouri state employees'
17 retirement system, with the calculations based on the contribution rate in effect on the date of his
18 or her employment under the provisions of the Missouri state employees' retirement system with
19 simple interest calculated from the date of employment from which the person could first receive
20 creditable service from the Missouri state employees' retirement system to the date of election
21 to purchase such service. The payment shall be made over a period of not longer than two years,
22 with simple interest on the unpaid balance. In no event shall any person receive credit or benefits
23 under any other retirement plan as defined pursuant to section 105.691, RSMo, for creditable
24 service purchased pursuant to the provisions of this section. The contribution rate for any judge
25 who elects to purchase service for a period prior to July 1, 1998, shall be equal to a contribution
26 rate which would be used if the judicial system were funded on an actuarial basis prior to that
27 date.

104.352. 1. Any employee or former employee described in paragraph (b) of subdivision
2 [(18)] **(20)** of section 104.010 is entitled to credit for all prior service and membership service
3 as if he had been a member of the system on the date of its inception. Any such employee shall
4 be considered a member of the system from the date of his or her employment and shall receive
5 credit for each month of service for which he is employed with service being computed as if
6 part-time employment with the general assembly were full-time employment for the period the
7 member was so employed.

8 2. Each employee described in paragraph (b) of subdivision [(18)] **(20)** of section
9 104.010 shall be entitled to the same insurance benefits provided under sections 103.003 to
10 103.175, RSMo to employees described in paragraph (a) of subdivision [(18)] **(20)** of section
11 104.010 to cover the medical expenses of such employees and their spouses and children. Such
12 insurance benefits shall be made available to employees described in paragraph (b) of
13 subdivision [(18)] **(20)** of section 104.010 upon their initial employment as such employees in
14 the same manner provided for employees described in paragraph (a) of subdivision [(18)] **(20)**
15 of section 104.010, and shall be continued during any period of time, not to exceed one year, in

16 which such employees are not paid for full-time employment, so long as such employees pay the
17 same amount for such insurance benefits as is required of employees described in paragraph (a)
18 of subdivision [(18)] **(20)** of section 104.010 who continue receiving such insurance benefits
19 during a leave of absence without pay from their employment with the state. Any employee
20 described in paragraph (b) of subdivision [(18)] **(20)** of section 104.010 who is reemployed by
21 the general assembly or either house thereof, or by any member of the general assembly while
22 acting in his official capacity as a member, by the thirteenth legislative day of the session of the
23 general assembly immediately following the session of the general assembly in which such
24 employee was last so employed, without having elected to discontinue the insurance benefits
25 described in this subsection, shall be entitled to continue such insurance benefits without having
26 to prove insurability for himself or any of his covered dependents for whom he has paid for such
27 coverage continuously since last employed as an employee described in paragraph (b) of
28 subdivision [(18)] **(20)** of section 104.010. Any employee described in paragraph (b) of
29 subdivision [(18)] **(20)** of section 104.010 who is not reemployed by the general assembly or
30 either house thereof, or by any member of the general assembly while acting in his official
31 capacity as a member, by the thirteenth legislative day of the session of the general assembly
32 immediately following the session of the general assembly in which such employee was last so
33 employed, shall be deemed terminated as an employee as of such thirteenth legislative day, and
34 the insurance benefits provided for such employee under this subsection and sections 103.003
35 to 103.175, RSMo, shall be terminated as provided for employees described in paragraph (a) of
36 subdivision [(18)] **(20)** of section 104.010 whose employment is terminated. During each month
37 of service in which an employee described in paragraph (b) of subdivision [(18)] **(20)** of section
38 104.010 is employed, the state shall make any contribution required by sections 103.003 to
39 103.175, RSMo, for such employee.

40 3. Any employee described in paragraph (b) of subdivision [(18)] **(20)** of section 104.010
41 who is actively employed on or after September 28, 1992, shall be deemed vested for purposes
42 of determining eligibility for benefits under sections 104.320 to 104.620 after being so employed
43 for at least sixty months.

104.354. In each fiscal year in which retirement benefits are to be paid to retired
2 employees described in paragraph (b) of subdivision [(18)] **(20)** of section 104.010 because of
3 the provisions of section 104.352, funding for such benefits shall be provided as set forth in
4 section 104.436. All benefits paid because of the provisions of section 104.352 shall be paid by
5 the retirement system along with all other retirement benefits due such retired employees under
6 the retirement system.

104.378. Upon the death of a member who has not requested creditable prior service
2 [pursuant to] **under section 104.339, subsections 2, 6, 7, 8, and 9 of section 104.340,**

3 **subsection 12 of section 104.342, subsection 4 of section 104.345**, subsection 4 of section
4 104.372, **section 104.800, section 178.639, RSMo, or section 211.393, RSMo**, the survivor of
5 such member who is or would be eligible to receive benefits pursuant to section 104.420 may
6 apply to the board of trustees and shall be made, constituted, appointed and employed by the
7 board as a special consultant on the problems of retirement, aging and other state matters for the
8 remainder of the surviving spouse's life, and upon request of the board shall give opinions, and
9 be available to give opinions in writing, or orally, in response to such requests. As compensation
10 for such services, such survivor may elect to have the member receive such creditable prior
11 service **or transfer such service**. Upon making such election, all of the [provisions of
12 subsection 4 of section 104.372] **applicable law as provided in this section** shall apply. Any
13 survivor benefits payable shall be calculated as if such creditable prior service **or transferred**
14 **service** had been received by such member on the date of the death of the member.

104.395. 1. In lieu of the normal annuity otherwise payable to a member pursuant to
2 section 104.335, 104.370, 104.371, 104.374 or 104.400, and prior to the last business day of the
3 month before the annuity starting date pursuant to section 104.401, a member shall elect whether
4 or not to have such member's normal annuity reduced as provided by the options set forth in this
5 section; provided that if such election has not been made within such time, annuity payments due
6 beginning on and after such annuity starting date shall be made the month following the receipt
7 by the system of such election, and further provided, that if such person dies after such annuity
8 starting date but before making such election, no benefits shall be paid except as required
9 pursuant to section 104.420:

10 Option 1. An actuarial reduction approved by the board of the member's annuity in
11 reduced monthly payments for life during retirement with the provision that upon the member's
12 death the reduced annuity at the date of the member's death shall be continued throughout the
13 life of, and be paid to, the member's spouse to whom the member was married at the date of
14 retirement and who was nominated by the member to receive such payments in the member's
15 application for retirement or as otherwise provided pursuant to subsection 5 of this section. Such
16 annuity shall be reduced in the same manner as an annuity under option 2 as in effect
17 immediately prior to August 28, 1997. The surviving spouse shall designate a beneficiary to
18 receive any final monthly payment due after the death of the surviving spouse; or

19 Option 2. The member's normal annuity in regular monthly payments for life during the
20 member's retirement with the provision that upon the member's death a survivor's benefit equal
21 to one-half the member's annuity at the date of the member's death shall be paid to the member's
22 spouse to whom the member was married at the date of retirement and who was nominated by
23 the member to receive such payments in the member's application for retirement or as otherwise
24 provided pursuant to subsection 5 of this section, in regular monthly payments for life. The

25 surviving spouse shall designate a beneficiary to receive any final monthly payment due after the
26 death of the surviving spouse; or

27 Option 3. An actuarial reduction approved by the board of the member's normal annuity
28 in reduced monthly payments for the member's life with the provision that if the member dies
29 prior to the member having received one hundred twenty monthly payments of the member's
30 reduced annuity, the member's reduced annuity to which the member would have been entitled
31 had the member lived shall be paid for the remainder of the one hundred twenty months' period
32 to such person as the member shall have nominated by written designation duly executed and
33 filed with the board. If there is no such beneficiary surviving the retirant, the reserve for such
34 annuity for the remainder of such one hundred twenty months' period shall be paid to the
35 retirant's estate. If such beneficiary dies after the member's date of death but before having
36 received the remainder of the one hundred twenty monthly payments of the retiree's reduced
37 annuity, the reserve for such annuity for the remainder of such one hundred twenty-month period
38 shall be paid to the beneficiary's estate; or

39 Option 4. An actuarial reduction approved by the board of the member's normal annuity
40 in reduced monthly payments for the member's life with the provision that if the member dies
41 prior to the member having received sixty monthly payments of the member's reduced annuity,
42 the member's reduced annuity to which the member would have been entitled had the member
43 lived shall be paid for the remainder of the sixty months' period to such person as the member
44 shall have nominated by written designation duly executed and filed with the board. If there be
45 no such beneficiary surviving the retirant, the reserve for such annuity for the remainder of such
46 sixty months' period shall be paid to the retirant's estate. If such beneficiary dies after the
47 member's date of death but before having received the remainder of the sixty monthly payments
48 of the retiree's reduced annuity, the reserve for such annuity for the remainder of the sixty-month
49 period shall be paid to the beneficiary's estate.

50 2. Effective July 1, 2000, if a member is married as of the annuity starting date to a
51 person who has been the member's spouse, the member's annuity shall be paid pursuant to the
52 provisions of either option 1 or option 2 as set forth in subsection 1 of this section, at the
53 member's choice, with the spouse as the member's designated beneficiary unless the spouse
54 consents in writing to the member electing another available form of payment.

55 3. For members who retire on or after August 28, 1995, in the event such member
56 elected a joint and survivor option pursuant to the provisions of this section and the member's
57 eligible spouse or eligible former spouse precedes the member in death, the member's annuity
58 shall revert effective the first of the month following the death of the spouse or eligible former
59 spouse [regardless of when the board receives the member's written application for the benefit
60 provided in this subsection, to an amount equal to the member's normal annuity, as adjusted for

61 early retirement if applicable] **to a normal annuity, as adjusted for early retirement if**
62 **applicable, if the member cancels the member's original joint and survivor election;** such
63 benefit shall include any increases the member would have received since the date of retirement
64 had the member elected a normal annuity.

65 4. Effective on or after August 28, 1995, any retired member who had elected a joint and
66 survivor option and whose spouse or eligible former spouse precedes or preceded the member
67 in death shall upon application to the board be made, constituted, appointed and employed by
68 the board as a special consultant on the problems of retirement, aging and other state matters.
69 As a special consultant pursuant to the provisions of this section, the member's reduced annuity
70 shall revert to a normal annuity as adjusted for early retirement, if applicable, effective the first
71 of the month following the death of the spouse or eligible former spouse or August 28, 1995,
72 whichever is later, [regardless of when the board receives the member's written application] **if**
73 **the member cancels the member's original joint and survivor election;** such annuity shall
74 include any increases the retired member would have received since the date of retirement had
75 the member elected a normal annuity.

76 5. Effective July 1, 2000, a member may make an election under option 1 or 2 after the
77 date retirement benefits are initiated if the member makes such election within one year from the
78 date of marriage or July 1, 2000, whichever is later, under any of the following circumstances:

79 (1) The member elected to receive a normal annuity and was not eligible to elect option
80 1 or 2 on the date retirement benefits were initiated; or

81 (2) The member's annuity reverted to a normal annuity pursuant to subsection 3 or 4 of
82 this section and the member remarried.

83 6. Any person who terminates employment or retires prior to July 1, 2000, shall be made,
84 constituted, appointed and employed by the board as a special consultant on the problems of
85 retirement, aging and other state matters, and for such services shall be eligible to elect to receive
86 the benefits described in subsection 5 of this section.

87 7. Effective September 1, 2001, the retirement application of any member who fails to
88 make an election pursuant to subsection 1 of this section within ninety days of the annuity
89 starting date contained in such retirement application shall be nullified. Any member whose
90 retirement application is nullified shall not receive retirement benefits until the member files a
91 new application for retirement pursuant to section 104.401 and makes the election pursuant to
92 subsection 1 of this section. In no event shall any retroactive retirement benefits be paid.

93 **8. A member may change a member's election made under this section at any time**
94 **prior to the system mailing or electronically transferring the first annuity payment to such**
95 **member.**

104.410. 1. Any uniformed member of the water patrol who shall be affirmatively found

2 by the board to be wholly and permanently incapable of holding any position of gainful
3 employment as a result of injuries or illness incurred in the performance of the member's duties
4 shall be entitled to receive disability benefits in an amount equal to one-half of the compensation
5 that the employee was receiving at the time of the occurrence of the injury entitling the employee
6 to such disability benefits. Any disability benefit payable pursuant to this subsection shall be
7 decreased by any amount paid to such uniformed member of the water patrol by reason of the
8 workers' compensation laws of this state. After termination of payment under workers'
9 compensation, however, any such reduction and disability benefits shall be restored.

10 2. The board of trustees may require a medical examination of any uniformed member
11 of the water patrol who is receiving disability benefits pursuant to this section at any time by a
12 designated physician, and disability benefits shall be discontinued if the board finds that such
13 member is able to perform the duties of the member's former position, or if such member refuses
14 to submit to such an examination.

15 3. The disability benefits described in this section shall not be paid to any uniformed
16 member of the water patrol who has retained or regained more than fifty percent of the member's
17 earning capacity. If any uniformed member of the water patrol who has been receiving disability
18 benefits again becomes an employee, the member's disability benefits shall be discontinued, the
19 member's prior period of creditable service shall be restored, and any subsequent determination
20 of benefits due the member or the member's survivors shall be based on the sum of the member's
21 creditable service accrued to the date the member's disability benefits commenced and the period
22 of creditable service after the member's return to employment.

23 4. Any uniformed member of the water patrol receiving benefits pursuant to the
24 provisions of this section for five or more years immediately prior to attainment of age fifty-five
25 shall be considered a normal retirant at age fifty-five, and may elect, within thirty days preceding
26 the attainment of age fifty-five, option 1 of section 104.395, but only for the member's spouse
27 who was the member's spouse for two or more years prior to the member's attainment of age
28 fifty-five.

29 5. Any member who is receiving disability benefits as of December 31, 1985, or any
30 member who is disabled on December 31, 1985, and would have been entitled to receive
31 disability benefits pursuant to this section as the provisions of this section existed immediately
32 prior to September 28, 1985, shall be eligible to receive or shall continue to receive benefits in
33 accordance with such prior provisions of this section until the member again becomes an
34 employee; however, all employees of the department of conservation who are disabled shall
35 receive benefits pursuant only to this section or section 104.518, whichever is applicable, and
36 shall not be eligible for benefits under any other plan or program purchased or provided after
37 September 28, 1985.

38 6. Any member who qualifies for disability benefits pursuant to subsection 1 of this
39 section or pursuant to the provisions of section 104.518, or under a long-term disability program
40 provided by the member's employing department as a consequence of employment by the
41 department, shall continue to accrue creditable service based on the member's rate of pay
42 immediately prior to the date the member became disabled in accordance with sections 104.370,
43 104.371, 104.374 and 104.615, until the date the member's retirement benefit goes into pay
44 status, the disability benefits cease being paid to the member, or the member is no longer
45 disabled, whichever comes first. Persons covered by the provisions of sections 476.515 to
46 476.565, RSMo, or sections 287.812 to 287.855, RSMo, who qualify for disability benefits
47 pursuant to the provisions of section 104.518, at the date the person becomes disabled, shall
48 continue to accrue creditable service based on the person's rate of pay immediately prior to the
49 date the person becomes disabled until the date the person's retirement benefit goes into pay
50 status, the disability benefits cease being paid to the person or the person is no longer disabled,
51 whichever comes first. [Members or persons continuing to accrue creditable service pursuant
52 to this subsection shall be entitled to continue their life insurance coverage subject to the
53 provisions of the life insurance plan administered by the board pursuant to section 104.517.] **For**
54 **the purposes of life insurance coverage under sections 104.515 and 104.517, a person who**
55 **is receiving disability benefits under this section shall be required to pay the cost of life**
56 **insurance coverage provided under section 104.517 in order to receive such coverage,**
57 **unless such person is eligible to receive such insurance at no cost under any waiver of**
58 **premium provision that may exist under the contract for life insurance. For purposes of**
59 **eligibility to apply for retirement, persons receiving disability benefits under this section**
60 **shall be treated as if they were active employees during their period of disability.** The rate
61 of pay for purposes of calculating retirement benefits for a member or person described in this
62 subsection who becomes disabled and retires on or after August 28, 1999, shall be the member's
63 or person's regular monthly compensation received at the time of disablement, increased
64 thereafter for any increases in the consumer price index. Such increases in the member's monthly
65 pay shall be made annually beginning twelve months after disablement and shall be equal to
66 eighty percent of the increase in the consumer price index during the calendar year prior to the
67 adjustment, but not more than five percent of the member's monthly pay immediately before the
68 increase. Such accruals shall continue until the earliest of: receipt of an early retirement annuity,
69 attainment of normal retirement eligibility or termination of disability benefits.

70 7. A member or person who continues to be disabled as provided in subsection 6 of this
71 section until the member's normal retirement age shall be eligible to retire on the first day of the
72 month next following the member's or person's final payment pursuant to section 104.518 or, if
73 applicable, subsection 1 of this section. A member or person who retires pursuant to this

74 subsection shall receive the greater of the normal annuity or the minimum annuity, if applicable,
75 determined pursuant to sections 104.370, 104.371, 104.374 and 104.615, and section 287.820,
76 RSMo, and section 476.530, RSMo, as if the member or person had continued in the active
77 employ of the employer until the member's or person's retirement benefit goes into pay status,
78 the disability benefits cease being paid to the member or person, or the member or person is no
79 longer disabled, whichever comes first and the member's or person's compensation for such
80 period had been the member's or person's rate of pay immediately preceding the date the member
81 or person became disabled.

82 8. If a member who has been disabled becomes an employee again and if the member
83 was disabled during the entire period of the member's absence, then the member shall resume
84 active participation as of the date of reemployment. Such a member shall receive creditable
85 service for the entire period the member was disabled as provided in subsection 6 of this section.

86 9. If a member ceases to be disabled and if the member does not return to work as
87 provided in subsection 8 of this section, the member's rights to further benefits shall be
88 determined in accordance with sections 104.335, 104.380, 104.400, 104.420 and 104.615 as
89 though the member had withdrawn from service as of the date the member ceased to be disabled,
90 as determined by the system.

104.490. 1. Should any error result in any member or beneficiary receiving more or less
2 than he or she would have been entitled to receive had the error not occurred, the board shall
3 correct such error, and, as far as practicable, make future payments in such a manner that the
4 actuarial equivalent of the benefit to which such member or beneficiary was entitled shall be
5 paid, and to this end may recover any overpayments. **In all cases in which an error has been**
6 **made, no such error shall be corrected unless the system discovers or is notified of such**
7 **error within ten years after the date of error.**

8 2. A person who knowingly makes a false statement, or falsifies or permits to be falsified
9 a record of the system, in an attempt to defraud the system is subject to fine or imprisonment
10 pursuant to the Missouri revised statutes.

11 3. The board of trustees of the Missouri state employees' retirement system shall cease
12 paying benefits to any survivor or beneficiary who is charged with the intentional killing of a
13 member without legal excuse or justification. A survivor or beneficiary who is convicted of such
14 charge shall no longer be entitled to receive benefits. If the survivor or beneficiary is not
15 convicted of such charge, the board shall resume payment of benefits and shall pay the survivor
16 or beneficiary any benefits that were suspended pending resolution of such charge.

104.601. Any member retiring pursuant to the provisions of this chapter or any member
2 retiring pursuant to provisions of chapter 169, RSMo, who is a member of the public school
3 retirement system and who is employed by a state agency other than an institution of higher

4 learning, after working continuously until reaching retirement age, shall be credited with all his
5 or her unused sick leave as reported through the financial and human resources system
6 maintained by the office of administration, or if a state agency's employees are not paid salaries
7 or wages through such system, as reported directly by the state agency. When calculating years
8 of service, each member shall be entitled to one-twelfth of a year of creditable service for each
9 one hundred sixty-eight hours of unused accumulated sick leave earned by the member. The
10 employing agency shall not certify unused sick leave unless such unused sick leave could have
11 been used by the member for sickness or injury. The rate of accrual of sick leave for purposes
12 of computing years of service pursuant to this section shall be no greater than ten hours per
13 month **regardless of whether or not the employee is employed in more than one position**
14 **that qualifies the employee to receive retirement benefits under this chapter.** Nothing under
15 this section shall allow a member to vest in the retirement system by using such credited sick
16 leave to reach the time of vesting.

104.603. 1. For purposes of this section, the term "member" shall include any
2 **member under this chapter, an administrative law judge or legal advisor under chapter**
3 **287, RSMo, or a judge under chapter 476, RSMo, who is receiving a retirement annuity**
4 **based on the member's creditable or credited service from either system; except that a**
5 **member covered under sections 104.010 to 104.272 shall not be considered a member under**
6 **this section.**

7 **2. Notwithstanding the provisions of sections 104.380 and 104.1039 or any other**
8 **law, any member who is employed, elected, or appointed and begins serving on or after**
9 **September 1, 2005, as an employee by a department, an administrative law judge or legal**
10 **advisor, or a judge, shall not receive a retirement annuity based on the member's**
11 **creditable or credited service under this chapter, chapter 287, RSMo, or chapter 476,**
12 **RSMo, during any month or part of a month while such member is so employed.**

13 **3. A member described in subsection 2 of this section who retired under the closed**
14 **plan as defined under subsection 7 of section 104.1003 and who is employed, elected, or**
15 **appointed as an employee by a department shall be considered to be an employee with no**
16 **previous creditable service and will accrue creditable service under the closed plan while**
17 **so employed. Such member shall not be required to meet age and service requirements for**
18 **retirement eligibility under the closed plan and upon termination of employment shall**
19 **receive an additional monthly annuity calculated under the closed plan based on the type**
20 **of service accrued. If the member's original annuity was based on an early retirement**
21 **reduction, the additional annuity shall be calculated using a reduction based on the**
22 **member's age at the time the additional annuity is calculated and the amount of service**
23 **since reemployment unless the member's age and total years of service under the original**

24 and additional annuity would make the member eligible for a normal annuity, in which
25 case, the additional annuity shall be calculated as a normal retirement annuity based on
26 the member's service since reemployment.

27 4. A member described in subsection 2 of this section who retired under the year
28 2000 plan under sections 104.1003 to 104.1093 and who is employed, elected, or appointed
29 as an employee by a department shall be considered to be an employee with no previous
30 credited service and will accrue credited service under the year 2000 plan while so
31 employed. Such member shall not be required to meet age and service requirements for
32 retirement eligibility under the year 2000 plan and upon termination of employment shall
33 receive an additional monthly annuity calculated under the year 2000 plan based on the
34 type of service accrued. If the member's original annuity was based on an early retirement
35 reduction, the additional annuity shall be calculated using a reduction based on the
36 member's age at the time the additional annuity is calculated and the amount of service
37 since reemployment unless the member's age and total years of service under the original
38 and additional annuity would make the member eligible for a normal retirement annuity,
39 in which case, the additional annuity shall be calculated as a normal retirement annuity
40 based on the member's service since reemployment.

41 5. A member who was an administrative law judge, legal advisor, or judge
42 described in subsection 2 of this section who has not retired under a retirement plan
43 created under this chapter and who is employed, elected, or appointed as an employee by
44 a department shall be considered to be a new employee with no previous credited service
45 and will accrue credited service under the year 2000 plan under sections 104.1003 to
46 104.1093 while so employed. Such member shall not be required to meet age and service
47 requirements for retirement eligibility under the year 2000 plan and upon termination of
48 employment shall receive an additional monthly annuity calculated under the year 2000
49 plan based on the type of service accrued.

50 6. The original annuity or benefit, the additional annuity described in this section,
51 or any annuity paid under section 104.420 or 104.1030, shall be paid commencing with the
52 end of the first month after the month during which the member terminates employment.
53 The original annuity or benefit, the additional annuity, or any annuity paid under section
54 104.420 or 104.1030 shall be paid by the system that issued the original annuity or benefit;
55 except that in the event a member dies prior to termination of employment, an annuity
56 shall be paid under section 104.420 or 104.1030 in lieu of an additional annuity otherwise
57 described in this section, and such member shall not be required to meet age and service
58 requirements for retirement eligibility for an annuity paid under section 104.420 or
59 104.1030. A member, or the member's beneficiary in the event the member dies prior to

60 termination of employment, shall transfer the member's creditable or credited service to
61 the system that paid the original annuity if the member accrued such service in a different
62 system. The system that paid the original annuity shall pay the additional annuity or the
63 annuity under section 104.420 or 104.1030, based on the retirement formula that otherwise
64 would apply based on the position in which the member was employed for the period of
65 service applicable to the additional annuity or the annuity under section 104.420 or
66 104.1030. The annuity option and plan election for the additional annuity shall be the
67 same as the original annuity or benefit subject to any modifications that may have been
68 made to the original annuity as provided by law; except that the annuity option for an
69 annuity paid under section 104.420 or 104.1030 shall be as provided in those sections.
70 Cost-of-living adjustments shall be paid on both annuities based on the original cost-of-
71 living payment date for the original annuity or benefit. In no event shall any cost-of-living
72 adjustments be paid or accrued during the member's period of employment.

104.606. Any member of either system who purchases creditable service or credited
2 service under this chapter or chapter 105, RSMo, must apply and complete the purchase
3 prior to applying to receive a retirement annuity in order to receive credit for such
4 purchase.

104.607. 1. Either system may elect by a majority vote of its board of trustees to
2 establish and administer an arrangement and fund to pay accrued benefits of its members
3 to its member under this chapter to the extent that the accrued benefits paid out of the
4 fund would not otherwise be payable under limitations in Section 415 of the Internal
5 Revenue Code. An arrangement and fund established under this section shall be kept
6 separate from the pension's fund assets.

7 2. If an arrangement and fund is established by a retirement system under
8 subsection 1 of this section, the arrangement and fund shall be established and
9 administered in accordance with Section 415(m) of the Internal Revenue Code. The board
10 may establish and adopt policies and procedures for the arrangement and fund.

11 3. If an arrangement and fund is established by a retirement system under
12 subsection 1 of this section, the benefits paid from the fund shall be paid out of employer
13 contributions or other eligible assets. The board shall determine the amount of the
14 employer contribution that shall be allocated to the arrangement and fund. Employer
15 contributions and other eligible assets that are contributed to the arrangement and fund
16 shall be deposited in the arrangement and fund before deposits are made to the system.

17 4. Nothing in this section is intended to limit the amount of employer contributions
18 that are contributed to a retirement fund for the accrued benefits that are allowed to be
19 paid under Section 415 of the Internal Revenue Code.

104.620. 1. Any member who has not received a lump sum payment equal to the sum
2 total of the contributions that the member paid into the retirement system, plus interest credited
3 to his or her account, shall be entitled to such a lump sum payment. Lump sum payments made
4 pursuant to this section shall not be reduced by any retirement benefits which a member is
5 entitled to receive, but shall be paid in full out of appropriate funds pursuant to appropriations
6 for this purpose.

7 2. In the event any accumulated contributions standing to a member of the Missouri state
8 employees' retirement system's credit remains unclaimed by such member for a period of four
9 years or more, such accumulated contributions shall automatically revert to the credit of the fund
10 for the Missouri state employees' retirement system. If an application is made, after such
11 reversion, for such accumulated contributions, the board shall pay such contributions from the
12 fund for the Missouri state employees' retirement system; except that, no interest shall be paid
13 on such funds after the date of the reversion to the fund for the Missouri state employees'
14 retirement system.

15 3. In the event any amount is due a deceased member, survivor, or beneficiary who dies
16 after September 1, 2002, such amount shall be paid to the person or entity designated in writing
17 as beneficiary to receive such amount by such member, survivor, or beneficiary. The member,
18 survivor, or beneficiary may designate in writing a beneficiary to receive any final payment due
19 after the death of a member, survivor, or beneficiary pursuant to this chapter. If no living person
20 or entity so designated as beneficiary exists at the time of death, such amount shall be paid to the
21 surviving spouse married to the deceased member, survivor, or beneficiary at the time of death.
22 If no surviving spouse exists, such amount shall be paid to the surviving children or their
23 descendants of such member, survivor, or beneficiary in equal parts. If no surviving children or
24 any of their descendants exist, such amount shall be paid to the surviving parents of such
25 member, survivor, or beneficiary in equal parts. If no surviving parents exist, such amount shall
26 be paid to the surviving brothers, sisters, or their descendants of such member, survivor, or
27 beneficiary in equal parts. If no surviving brothers, sisters, or their descendants exist, payment
28 may be made as otherwise permitted by law. Notwithstanding this subsection, any amount due
29 to a deceased member as payment of all or part of a lump sum pursuant to section 104.625 shall
30 be paid to the member's surviving spouse married to the member at the time of death, and
31 otherwise payment may be made as provided in this subsection. In the event any amount that
32 is due to a member of either system remains unclaimed by such member for a period of four
33 years or more, such amount shall automatically revert to the credit of the fund of the member's
34 system. If an application is made after such reversion for such amount, the board shall pay such
35 amount from the board's fund to the member, except that no interest shall be paid on such funds
36 after the date of the reversion to the fund.

37 4. The beneficiary of any member who purchased creditable service in the Missouri state
38 employees' retirement system shall receive a refund upon the member's death equal to the amount
39 of any purchase less any retirement benefits received by the member unless an annuity is payable
40 to a survivor or beneficiary as a result of the member's death. In that event, the beneficiary of
41 the survivor or beneficiary who received the annuity shall receive a refund upon the survivor's
42 or beneficiary's death equal to the amount of the member's purchase of service less any annuity
43 amounts received by the member and the survivor or beneficiary.

44 **5. The provisions of this section shall apply to any administrative law judge, legal**
45 **advisor or beneficiary as defined under section 287.812, RSMo, or any judge or beneficiary**
46 **as defined under section 476.515, RSMo, or any judge or beneficiary as defined under**
47 **section 476.515, RSMo, or any special commissioner under section 476.450, RSMo.**

104.800. 1. Except as otherwise provided by law, any person [having earned creditable
2 service pursuant to the provisions of the state employees' retirement system or pursuant to the
3 provisions of the state transportation department employees' and highway patrol retirement
4 system or having service as a statewide state elective officer or having service as a member of
5 the general assembly or having service pursuant to the provisions of sections 287.812 to 287.855,
6 RSMo, or having service as a judge, as defined in section 476.515, RSMo, may elect prior to
7 retirement and not after retirement, to make a one-time transfer of credit for such service or such
8 creditable service to or from any other retirement system or type of service specified in this
9 section or sections 56.800 to 56.840, RSMo, for which the person has accumulated service or
10 creditable service. The amount of transferred credit shall be accumulated with the amount of
11 such creditable service or such service earned by the person in the retirement system or type of
12 service to which the service is transferred for purposes of determining the benefits to which the
13 person is entitled under the retirement system or type of service to which the service is
14 transferred. The transfer of such creditable service or service shall become effective on the first
15 day of the second month following the month in which the person files written notification of
16 the person's election with the retirement boards affected by such service transfer. When the
17 election to transfer creditable service or service becomes effective, the person shall thereby
18 forfeit any claim to any benefit under the provisions of the retirement system or type of service,
19 as the case may be, from which the service or creditable service was transferred regardless of the
20 amount of service or creditable service previously earned in such retirement system or type of
21 service] **who has creditable service, forfeited creditable service, or service under two or**
22 **more of the following categories as:**

- 23 **(1) An employee;**
24 **(2) A member of the general assembly;**
25 **(3) A statewide elected official;**

26 **(4) An employee under sections 56.800 to 56.840, RSMo;**

27 **(5) An administrative law judge or legal advisor under sections 287.812 to 287.855,**
28 **RSMo; or**

29 **(6) A judge under sections 476.515 to 476.565, RSMo;**

30

31 **may elect to make a one-time transfer of such service between any categories specified in**
32 **this subsection in which the person has such service prior to the transfer. The transfer**
33 **shall not occur unless the person has terminated employment in the category from which**
34 **service is being transferred. When the election to transfer such service becomes effective,**
35 **the retirement system shall credit the transferred service as service in the category in which**
36 **it was transferred. Thereafter the person shall forfeit any claim to any benefit based on**
37 **such transferred service and any remaining service in excess of the limitation of the amount**
38 **of service that can be transferred under this section.** Any person who has transferred service
39 pursuant to this subsection prior to August 28, 2002, and who is an employee covered by a
40 retirement plan described in this subsection after that date, may elect to make an additional
41 transfer of service prior to retirement if additional service would otherwise be available to be
42 transferred except for the forfeiture of that service after the previous transfer. In no event shall
43 the amount of service that a person shall be entitled to transfer pursuant to the provisions of this
44 section exceed eight years.

45 2. In the event of the death of a member before retirement and prior to exercising transfer
46 rights pursuant to the provisions of this section, survivorship benefits shall be computed as if
47 such person had in fact exercised or not exercised the person's transfer rights to produce the most
48 advantageous benefit possible.

49 3. Any person that has earned creditable service pursuant to the provisions governing the
50 Missouri state employees' retirement system or pursuant to the provisions of chapter 287, RSMo,
51 or chapter 476, RSMo, who terminated employment prior to August 13, 1986, shall, upon
52 application to the board of trustees of the Missouri state employees' retirement system, be made,
53 constituted and appointed and employed by the board as a special consultant on the problems of
54 retirement, aging and other state matters for the remainder of the person's life. Upon request of
55 the board or the court from which the person retired, the consultant shall give opinions or be
56 available to give opinions in writing or orally in response to such request. As compensation for
57 such services, the consultant shall be eligible, prior to retirement, to make a one-time transfer of
58 creditable service as provided in this section.

14 to make such election within such time period shall be deemed to have elected to remain covered

21 married to the member at the time of retirement, if any, consents in writing to such election made
22 pursuant to section 104.1024, or to any election described in this section if the person was
23 married to a member of the Missouri state employees' retirement system. The effective date of
24 payment of an annuity under the year 2000 plan as provided in this subsection shall begin on July
25 1, 2000. No adjustment shall be made to retirement benefits paid to the retiree prior to July 1,
26 2000. In order to calculate a new monthly annuity for retirees electing coverage under the year

28 (1) Except as otherwise provided in this subsection, the retiree's gross monthly
29 retirement annuity in effect immediately prior to July 1, 2000, shall be multiplied by the
30 percentage increase in the life annuity formula between the closed plan and the year 2000 plan.
31 This amount shall be added to the retiree's gross monthly retirement annuity in effect
32 immediately prior to July 1, 2000, to arrive at the retiree's new monthly retirement annuity in the
33 year 2000 plan on July 1, 2000. The age of eligibility and reduction factors applicable to the
34 retiree's original annuity under the closed plan shall remain the same in the annuity payable under
35 the year 2000 plan, except as provided in subdivision (2) of this subsection.

36 (2) If option 1 or 2 pursuant to section 104.1027 is chosen by the retiree under the year
37 2000 plan, the new monthly retirement annuity calculated pursuant to subdivision (1) of this
38 subsection shall be recalculated using the reduction factors for the option chosen pursuant to
39 section 104.1027.

40 (3) If a temporary annuity is payable pursuant to subsection 4 of section 104.1024 the
41 additional temporary annuity shall be calculated by multiplying the retiree's credited service by
42 the retiree's final average pay by eight-tenths of one percent.

43 (4) Cost-of-living adjustments paid pursuant to section 104.1045 will commence on the
44 anniversary of the retiree's annuity starting date coincident with or next following July 1, 2000.

45 (5) Any retiree or other person described in this section who elects coverage under the
46 year 2000 plan based on service rendered as a member of the general assembly or as a statewide
47 elected official shall receive an annuity under the year 2000 plan calculated pursuant to the
48 provisions of section 104.1084 using the current monthly pay at the time of the election with
49 future COLAs calculated pursuant to subsection 7 of section 104.1084.

50 3. Each person who is an employee and covered by the closed plan and not a retiree of
51 the closed plan on July 1, 2000, shall elect whether or not to change to year 2000 plan coverage
52 prior to the last business day of the month before the person's annuity starting date, and if such
53 election has not been made within such time, annuity payments due beginning on and after the
54 month of the annuity starting date shall be made the month following the receipt by the
55 appropriate system of such election and any other information required by the year 2000 plan
56 created by sections 104.1003 to 104.1093; provided, such election must be after the person has
57 received from the year 2000 plan a written comparison of the person's closed plan coverage and
58 the person's potential year 2000 plan coverage and the election must be made in writing on a
59 form furnished by the appropriate board. If such person dies after the annuity starting date but
60 before making such election and providing such other information, no benefits shall be paid
61 except as required pursuant to section 104.420 or subsection 2 of section 104.372 for members
62 of the general assembly.

63 4. Each person who is not an employee and not a retiree and is eligible for a deferred
64 annuity from the closed plan on July 1, 2000, shall elect whether or not to change to the year
65 2000 plan coverage prior to the last business day of the month before the person's annuity
66 starting date, and if such election has not been made within such time, annuity payments due
67 beginning on and after the month of the annuity starting date shall be made the month following
68 the receipt by the appropriate system of such election and any other information required by the
69 year 2000 plan created by sections 104.1003 to 104.1093; provided, the election must be after
70 the person has received from the year 2000 plan a written comparison of the person's closed plan
71 coverage and the person's potential year 2000 plan coverage and the election must be made in
72 writing on a form furnished by the appropriate board. If such person dies after the annuity
73 starting date but before making such election and providing such other information, no benefits
74 shall be paid except as required pursuant to section 104.420 or subsection 2 of section 104.372
75 for members of the general assembly.

76 5. Each person who is not an employee and not a retiree and is eligible for a deferred
77 annuity from the closed plan and returns to covered employment on or after July 1, 2000, shall
78 be covered under the closed plan; provided, such person shall elect whether or not to change to
79 the year 2000 plan coverage prior to the last business day of the month before the person's
80 annuity starting date, and if such election has not been made within such time, annuity payments
81 due beginning on and after the month of the annuity starting date shall be made the month
82 following the receipt by the appropriate system of such election and any other information
83 required by the year 2000 plan created by sections 104.1003 to 104.1093 and the election must
84 be after the person has received from the year 2000 plan a written comparison of the person's
85 closed plan coverage and the person's potential year 2000 plan coverage and the election must
86 be made in writing on a form furnished by the appropriate board. If such person dies after the
87 annuity starting date but before making such election and providing such other information, no
88 benefits shall be paid except as required under section 104.420 or subsection 2 of section
89 104.372 for members of the general assembly.

90 6. Each person who is not an employee and not a retiree and not eligible for a deferred
91 annuity from the closed plan but has forfeited creditable service with the closed plan and
92 becomes an employee on or after August 28, 2002, shall be changed to year 2000 plan coverage
93 and upon receiving credited service continuously for one year shall receive credited service for
94 all such forfeited creditable service under the closed plan.

95 7. Each person who was employed as a member of the general assembly through
96 December 31, 2000, covered under the closed plan, and has served at least two full biennial
97 assemblies as defined in subdivision (24) of subsection 1 of section 104.010 but who is not
98 eligible for a deferred annuity under the closed plan shall be eligible to receive benefits under

99 the new plan pursuant to subdivision (5) of subsection 2 of this section upon meeting the age
100 requirements under the new plan.

102 eligible for benefits under those subsections pursuant to subsection 8 of section 104.610.

103 **9. A member may change a member's plan election made under this section at any**
104 **time prior to the system mailing or electronically transferring the first annuity payment**
105 **to such member.**

104.1021. 1. The appropriate board shall determine how much credited service shall be
2 given each member consistent with this section.

3 2. If a member terminates employment and is eligible to receive an annuity pursuant to
4 the year 2000 plan, or becomes a vested former member at the time of termination, the member's
5 or former member's unused sick leave as reported through the financial and human resources
6 system maintained by the office of administration, or if a department's employees are not paid
7 salaries or wages through such system, as reported directly by the department, for which the
8 member has not been paid will be converted to credited service at the time of application for
9 retirement benefits. The member shall receive one-twelfth of a year of credited service for each
10 one hundred and sixty-eight hours of such unused sick leave. The employing department shall
11 not certify unused sick leave unless such unused sick leave could have been used by the member
12 for sickness or injury. The rate of accrual of sick leave for purposes of computing years of
13 service pursuant to this section shall be no greater than ten hours per month **regardless of**
14 **whether or not the employee is employed in more than one position that qualifies the**
15 **employee to receive retirement benefits under this chapter.** Such credited service shall not
16 be used in determining the member's eligibility for retirement or final average pay. Such credited
17 service shall be added to the credited service in the last position of employment held as a
18 member of the system.

19 3. If a member is employed in a covered position and simultaneously employed in one
20 or more other covered or noncovered positions, credited service shall be determined as if all such
21 employment were in one position, and covered pay shall be the total of pay for all such positions.

22 4. In calculating any annuity, "credited service" means a period expressed as whole years
23 and any fraction of a year measured in twelfths that begins on the date an employee commences
24 employment in a covered position and ends on the date such employee's membership terminates
25 pursuant to section 104.1018 plus any additional period for which the employee is credited with
26 service pursuant to this section.

27 5. A member shall be credited for all military service after membership commences as
28 required by state and federal law.

29 6. Any member who had active military service in the United States Army, Air Force,

30 Navy, Marine Corps, Army or Air National Guard, Coast Guard, or any reserve component
31 thereof prior to last becoming a member, or who is otherwise ineligible to receive credited
32 service pursuant to subsection 1 or 5 of this section, and who became a member after the person's
33 discharge from military service under honorable conditions may elect, prior to retirement, to
34 purchase credited service for all such military service, but not to exceed four years, provided the
35 person is not receiving and is not eligible to receive retirement credits or benefits from any other
36 public or private retirement plan, other than a United States military service retirement system,
37 for the military service to be purchased along with the submission of appropriate documentation
38 verifying the member's dates of active service. The purchase shall be effected by the member
39 paying to the system an amount equal to the state's contributions that would have been made to
40 the system on the member's behalf had the member been a member for the period for which the
41 member is electing to purchase credit and had the member's pay during such period of
42 membership been the same as the annual pay rate as of the date the member was initially
43 employed as a member, with the calculations based on the contribution rate in effect on the date
44 of such member's employment with simple interest calculated from the date of employment to
45 the date of election pursuant to this subsection. The payment shall be made over a period of not
46 longer than two years, measured from the date of election, and with simple interest on the unpaid
47 balance. If a member who purchased credited service pursuant to this subsection dies prior to
48 retirement, the surviving spouse may, upon written request, receive a refund of the amount
49 contributed for such purchase of such credited service, provided the surviving spouse is not
50 entitled to survivorship benefits payable pursuant to the provisions of section 104.1030.

51 7. Any member of the Missouri state employees' retirement system shall receive credited
52 service for the creditable prior service that such employee would have been entitled to under the
53 closed plan pursuant to section 104.339, subsections 2, and 6 to 9 of section 104.340, subsection
54 12 of section 104.342, section 104.344, subsection 4 of section 104.345, subsection 4 of section
55 104.372, section 178.640, RSMo, and section 211.393, RSMo, provided such service has not
56 been credited under the closed plan.

57 8. Any member who has service in both systems and dies or terminates employment shall
58 have the member's service in the other system transferred to the last system that covered such
59 member and any annuity payable to such member shall be paid by that system. Any such
60 member may elect to transfer service between systems prior to termination of employment,
61 provided, any annuity payable to such member shall be paid by the last system that covered such
62 member prior to the receipt of such annuity.

63 9. In no event shall any person or member receive credited service pursuant to the year
64 2000 plan if that same service is credited for retirement benefits under any defined benefit
65 retirement system not created pursuant to this chapter.

66 10. Any additional credited service as described in subsections 5 to 7 of this section shall
67 be added to the credited service in the first position of employment held as a member of the
68 system. Any additional creditable service received pursuant to section 105.691, RSMo, shall be
69 added to the credited service in the position of employment held at the time the member
70 completes the purchase or transfer pursuant to such section.

71 11. A member may not purchase any credited service described in this section unless the
72 member has met the five-year minimum service requirement as provided in subdivisions (11) and
73 (20) of section 104.1003, the [two] **three** full biennial assemblies minimum service requirement
74 as provided in section 104.1084, or the four-year minimum service requirement as provided in
75 section 104.1084.

76 12. Absences taken by an employee without compensation for sickness and injury of the
77 employee of less than twelve months or for leave taken by such employee without compensation
78 pursuant to the provisions of the Family and Medical Leave Act of 1993 shall be counted as
79 years of credited service.

80 **13. Upon the death of a member who has not requested credited service under**
81 **section 104.339, subsections 2, 6, 7, and 9 of section 104.340, subsection 12 of section**
82 **104.342, subsection 4 of section 104.345, subsection 4 of section 104.372, section 178.639,**
83 **RSMo, or section 211.393, RSMo, the survivor of such member who is or would be eligible**
84 **to receive benefits under section 104.1030 may elect to have the member receive such**
85 **credited service or transfer such service. Upon making such election, all of the provisions**
86 **of applicable sections of law as provided in this section shall apply. Any survivor benefits**
87 **shall be calculated as if such credited service or transferred service had been received by**
88 **such member on a date of the death of the member.**

104.1024. 1. Any member who terminates employment may retire on or after attaining
2 normal retirement eligibility by making application in written form and manner approved by the
3 appropriate board. The written application shall set forth the annuity starting date which shall
4 not be earlier than the first day of the second month following the month of the execution and
5 filing of the member's application for retirement nor later than the first day of the fourth month
6 following the month of the execution and filing of the member's application for retirement. **The**
7 **payment of the annuity shall be made by the last day of each month, providing all**
8 **documentation required under section 104.1027 for the calculation and payment of the**
9 **benefits is received by the board.**

10 2. A member's annuity shall be paid in the form of a life annuity, except as provided in
11 section 104.1027, and shall be an amount for life equal to one and seven-tenths percent of the
12 final average pay of the member multiplied by the member's years of credited service.

13 3. The life annuity defined in subsection 2 of this section shall not be less than a monthly

14 amount equal to fifteen dollars multiplied by the member's full years of credited service.

15 4. If as of the annuity starting date of a member who has attained normal retirement
16 eligibility the sum of the member's years of age and years of credited service equals eighty or
17 more years and if the member's age is at least forty-eight years but less than sixty-two years, or,
18 in the case of a member of the highway patrol who shall be subject to the mandatory retirement
19 provision of section 104.080, the mandatory retirement age and completion of five years of
20 credited service, then in addition to the life annuity described in subsection 2 of this section, the
21 member shall receive a temporary annuity equal to eight-tenths of one percent of the member's
22 final average pay multiplied by the member's years of credited service. The temporary annuity
23 and any cost-of-living adjustments attributable to the temporary annuity pursuant to section
24 104.1045 shall terminate at the end of the calendar month in which the earlier of the following
25 events occurs: the member's death or the member's attainment of the earliest age of eligibility
26 for reduced Social Security retirement benefits, **but no later than age sixty-two.**

27 5. The annuity described in subsection 2 of this section for any person who has credited
28 service not covered by the federal Social Security Act, as provided in sections 105.300 to
29 105.445, RSMo, shall be calculated as follows: the life annuity shall be an amount equal to two
30 and five-tenths percent of the final average pay of the member multiplied by the number of years
31 of service not covered by the federal Social Security Act in addition to one and seven-tenths
32 percent of the final average pay of the member multiplied by the member's years of credited
33 service covered by the federal Social Security Act.

34 6. Effective July 1, 2002, any member, except an elected official or a member of the
35 general assembly, who has not been paid retirement benefits and continues employment for at
36 least two years beyond the date of normal retirement eligibility, may elect to receive an annuity
37 and lump sum payment or payments, determined as follows:

38 (1) A retroactive starting date shall be established which shall be a date selected by the
39 member; provided, however, that the retroactive starting date selected by the member shall not
40 be a date which is earlier than the date when a normal annuity would have first been payable.
41 In addition, the retroactive starting date shall not be more than five years prior to the annuity
42 starting date. The member's selection of a retroactive starting date shall be done in twelve-month
43 increments, except this restriction shall not apply when the member selects the total available
44 time between the retroactive starting date and the annuity starting date;

45 (2) The prospective annuity payable as of the annuity starting date shall be determined
46 pursuant to the provisions of this section, with the exception that it shall be the amount which
47 would have been payable at the annuity starting date had the member actually retired on the
48 retroactive starting date under the retirement plan selected by the member. Other than for the
49 lump sum payment or payments specified in subdivision (3) of this subsection, no other amount

50 shall be due for the period between the retroactive starting date and the annuity starting date;

51 (3) The lump sum payable shall be ninety percent of the annuity amounts which would
52 have been paid to the member from the retroactive starting date to the annuity starting date had
53 the member actually retired on the retroactive starting date and received a life annuity. The
54 member shall elect to receive the lump sum amount either in its entirety at the same time as the
55 initial annuity payment is made or in three equal annual installments with the first payment made
56 at the same time as the initial annuity payment;

57 (4) Any annuity payable pursuant to this section that is subject to a division of benefit
58 order pursuant to section 104.1051 shall be calculated as follows:

59 (a) Any service of a member between the retroactive starting date and the annuity
60 starting date shall not be considered credited service except for purposes of calculating the
61 division of benefit; and

62 (b) The lump sum payment described in subdivision (3) of this section shall not be
63 subject to any division of benefit order; and

64 (5) For purposes of determining annual benefit increases payable as part of the lump sum
65 and annuity provided pursuant to this section, the retroactive starting date shall be considered the
66 member's date of retirement.

104.1027. 1. Prior to the last business day of the month before the annuity starting date,
2 a member or a vested former member shall elect whether or not to have such member's or such
3 vested former member's life annuity reduced, but not any temporary annuity which may be
4 payable, and designate a beneficiary, as provided by the options set forth in this section; provided
5 that if such election has not been made within such time, annuity payments due beginning on and
6 after the month of the annuity starting date shall be made the month following the receipt by the
7 appropriate system of such election and any other information required by the year 2000 plan
8 created by sections 104.1003 to 104.1093, and further provided, that if such person dies after the
9 annuity starting date but before making such election and providing such other information, no
10 benefits shall be paid except as required pursuant to section 104.1030:

11 Option 1. A retiree's life annuity shall be reduced to a certain percent of the annuity
12 otherwise payable. Such percent shall be ninety percent adjusted as follows: if the retiree's age
13 on the annuity starting date is younger than sixty-two years, an increase of three-tenths of one
14 percent for each year the retiree's age is younger than age sixty-two years, to a maximum increase
15 of three and six-tenths percent; and if the beneficiary's age is younger than the retiree's age on
16 the annuity starting date, a decrease of three-tenths of one percent for each year of age difference;
17 and if the retiree's age is younger than the beneficiary's age on the annuity starting date, an
18 increase of three-tenths of one percent for each year of age difference; provided, after all
19 adjustments the option 1 percent cannot exceed ninety-five percent. Upon the retiree's death,

20 fifty percent of the retiree's reduced annuity shall be paid to such beneficiary who was the
21 retiree's spouse on the annuity starting date or as otherwise provided by subsection 5 of this
22 section.

23 Option 2. A retiree's life annuity shall be reduced to a certain percent of the annuity
24 otherwise payable. Such percent shall be eighty-three percent adjusted as follows: if the retiree's
25 age on the annuity starting date is younger than sixty-two years, an increase of four-tenths of one
26 percent for each year the retiree's age is younger than sixty-two years, to a maximum increase
27 of four and eight-tenths percent; and if the beneficiary's age is younger than the retiree's age on
28 the annuity starting date, a decrease of five-tenths of one percent for each year of age difference;
29 and if the retiree's age is younger than the beneficiary's age on the annuity starting date, an
30 increase of five-tenths of one percent for each year of age difference; provided, after all
31 adjustments the option 2 percent cannot exceed ninety percent. Upon the retiree's death one
32 hundred percent of the retiree's reduced annuity shall be paid to such beneficiary who was the
33 retiree's spouse on the annuity starting date or as otherwise provided by subsection 5 of this
34 section.

35 Option 3. A retiree's life annuity shall be reduced to ninety-five percent of the annuity
36 otherwise payable. If the retiree dies before having received one hundred twenty monthly
37 payments, the reduced annuity shall be continued for the remainder of the one hundred
38 twenty-month period to the retiree's designated beneficiary provided that if there is no beneficiary
39 surviving the retiree, the present value of the remaining annuity payments shall be paid to the
40 retiree's estate. If the beneficiary survives the retiree but dies before receiving the remainder of
41 such one hundred twenty monthly payments, the present value of the remaining annuity payments
42 shall be paid to the beneficiary's estate.

43 Option 4. A retiree's life annuity shall be reduced to ninety percent of the annuity
44 otherwise payable. If the retiree dies before having received one hundred eighty monthly
45 payments, the reduced annuity shall be continued for the remainder of the one hundred
46 eighty-month period to the retiree's designated beneficiary provided that if there is no beneficiary
47 surviving the retiree, the present value of the remaining annuity payments shall be paid to the
48 retiree's estate. If the beneficiary survives the retiree but dies before receiving the remainder of
49 such one hundred eighty monthly payments, the present value of the remaining annuity payments
50 shall be paid to the beneficiary's estate.

51 2. If a member is married as of the annuity starting date, the member's annuity shall be
52 paid under the provisions of either option 1 or option 2 as set forth in subsection 1 of this section,
53 at the member's choice, with the spouse as the member's designated beneficiary unless the spouse
54 consents in writing to the member electing another available form of payment.

55 3. If a member has elected at the annuity starting date option 1 or 2 pursuant to this

56 section and if the member's spouse or eligible former spouse dies after the annuity starting date
57 but before the member dies, then the member may cancel the member's election and return to the
58 life annuity form of payment and annuity amount, effective the first of the month following the
59 date of such spouse's or eligible former spouse's death.

60 4. If a member designates a spouse as a beneficiary pursuant to this section and
61 subsequently that marriage ends as a result of a dissolution of marriage, such dissolution shall
62 not affect the option election pursuant to this section and the former spouse shall continue to be
63 eligible to receive survivor benefits upon the death of the member.

64 5. Effective July 1, 2000, a member may make an election under option 1 or 2 after the
65 annuity starting date as described in this section if the member makes such election within one
66 year from the date of marriage or July 1, 2000, whichever is later, pursuant to any of the
67 following circumstances:

68 (1) The member elected to receive a life annuity and was not eligible to elect option 1
69 or 2 on the annuity starting date; or

70 (2) The member's annuity reverted to a normal or early retirement annuity pursuant to
71 subsection 3 of this section, and the member remarried.

72 6. Effective September 1, 2001, the retirement application of any member who fails to
73 make an election pursuant to subsection 1 of this section within ninety days of the annuity
74 starting date contained in such retirement application shall be nullified. Any member whose
75 retirement application is nullified shall not receive retirement benefits until the member files a
76 new application for retirement pursuant to section 104.1024 and makes the election pursuant to
77 subsection 1 of this section. In no event shall any retroactive retirement benefits be paid.

78 **7. A member may change a member's election made under this section at any time**
79 **prior to the system mailing or electronically transferring the first annuity payment to such**
80 **member.**

104.1030. 1. If a member with five or more years of credited service or a vested former
2 member dies before such member's or such vested former member's annuity starting date, the
3 applicable annuity provided in this section shall be paid.

4 2. The member's surviving spouse who was married to the member at the date of death
5 shall receive an annuity computed as if such member had:

6 (1) Retired on the date of death with a normal retirement annuity based upon credited
7 service and final average pay to the date of death, and without reduction if the member's age was
8 younger than normal retirement eligibility;

9 (2) Elected option 2 provided for in section 104.1027; and

10 (3) Designated such spouse as beneficiary under such option.

11 3. If a spouse annuity is not payable pursuant to the provisions of subsection 2 of this

12 section, or when a spouse annuity has ceased to be payable, eighty percent of an annuity
13 computed in the same manner as if the member had retired on the date of death with a normal
14 retirement annuity based upon credited service and final average pay to the date of death and
15 without reduction if the member's age at death was younger than normal retirement eligibility
16 shall be divided equally among the dependent children of the deceased member. A child shall
17 be a dependent child until death or attainment of age twenty-one, whichever occurs first;
18 provided the age twenty-one maximum shall be extended for any child who has been found
19 totally incapacitated by a court of competent jurisdiction. Upon a child ceasing to be a dependent
20 child, that child's portion of the dependent annuity shall cease to be paid, and the amounts
21 payable to any remaining dependent children shall be proportionately increased. **Benefits**
22 **otherwise payable to a child under eighteen years of age under this section to a beneficiary**
23 **under eighteen years of age under the administrative law judges and legal advisors**
24 **retirement plan.**

25 4. For the purpose of computing the amount of an annuity payable pursuant to this
26 section, if the board finds that the death was the natural and proximate result of a personal injury
27 or disease arising out of and in the course of his or her actual performance of duty as an
28 employee, then the minimum annuity to such member's spouse or, if no spouse benefits are
29 payable, the minimum annuity that shall be divided among and paid to such member's dependent
30 children shall be fifty percent of final average pay. The credited service requirement of
31 subsection 1 of this section shall not apply to any annuity payable pursuant to this subsection.

32 5. The provisions of this section shall apply to members of the general assembly and
33 statewide elected officials except that the credited service and monthly pay requirements
34 described in section 104.1084 shall apply notwithstanding any other language to the contrary
35 contained in this section.

104.1042. 1. Any member who is in the Missouri state employees' retirement system
2 pursuant to the year 2000 plan created by sections 104.1003 to 104.1093 and who becomes
3 disabled and qualifies for long-term disability benefits and retires after August 28, 1999, or who
4 becomes disabled and qualifies for long-term disability benefits under a program provided by the
5 member's employing department and retires after August 28, 1999, shall continue to accrue
6 credited service and such member's rate of pay for purposes of calculating an annuity pursuant
7 to the year 2000 plan created by sections 104.1003 to 104.1093 shall be the member's regular
8 monthly pay received at the time of disablement, increased thereafter for any increases in the
9 consumer price index. Such increases in the member's monthly pay shall be made annually
10 beginning twelve months after disablement and shall be equal to eighty percent of the increase
11 in the consumer price index during the calendar year prior to the adjustment, but not more than
12 five percent of the member's monthly pay immediately before the increase. Such accruals shall

13 continue until the earliest of receipt of an early retirement annuity, attainment of normal
14 retirement eligibility, or termination of disability benefits. **For the purposes of life insurance**
15 **coverage under section 104.1072, a person who is receiving disability benefits under this**
16 **section shall be required to pay the cost of life insurance coverage provided under section**
17 **104.1072 in order to receive such coverage, unless such person is eligible to receive such**
18 **insurance at no cost under any waiver of premium provision that may exist under the**
19 **contract for life insurance. For purposes of eligibility to apply for retirement, persons**
20 **receiving disability benefits under this section shall be treated as if they were active**
21 **employees during their period of disability.**

22 2. A member described in subsection 1 of this section who continues to be disabled until
23 normal retirement eligibility may elect an annuity starting date upon termination of disability
24 payments and shall receive a normal retirement annuity provided for in section 104.1024.

25 3. If the member's disability terminates, disability accruals described in subsection 1 of
26 this section shall terminate.

27 4. Upon termination of disability payments and not returning to a position in which the
28 member is an employee, the member's rights to plan benefits shall be determined as if the
29 member had terminated employment at time of termination of disability payments.

30 5. Any member who was disabled under the closed plan prior to July 1, 2000, and who
31 returns to a position in which the member is an employee after July 1, 2000, shall be covered
32 under the closed plan and shall be eligible to elect coverage under the new plan as provided by
33 subsection 5 of section 104.1015.

104.1205. **1.** The board of trustees of the Missouri state employees' retirement system
2 shall:

3 (1) Establish a defined contribution plan for outside employees which, among other
4 things, provides for immediate vesting;

5 (2) Select a third-party administrator to provide such services as the board determines
6 to be necessary for the proper administration of the defined contribution plan;

7 (3) Select the investment products which shall be made available to the participants in
8 the defined contribution plan;

9 (4) Annually establish the contribution rate used for purposes of subsection 3 of section
10 104.1066 for employees of institutions who are other than outside employees, which shall be
11 done by considering all such employees to be part of the general employee population within the
12 Missouri state employees' retirement system;

13 (5) Establish the contribution rate for outside employees which shall be equal to one
14 percent [of payroll] less than the normal cost contribution rate established pursuant to
15 subdivision (4) of this section; and

16 (6) Establish such rules and regulations as may be necessary to carry out the purposes
17 of this section.

18 **2. In the event the board of trustees elects to provide outside employees with**
19 **investment education, investment advice, or a default investment option in a fund designed**
20 **to provide a diversified investment based on the outside employee's age, the board will not**
21 **be liable for the investment decisions made or not made by outside employees so long as**
22 **the board acts with the same care, skill, prudence, and diligence in the selection and**
23 **monitoring of providers of education and advice and such default investment option, under**
24 **the circumstances then prevailing that a prudent person acting in a similar capacity and**
25 **familiar with those matters would use in the conduct of a similar enterprise with similar**
26 **aims.**

104.1215. Any outside employee who has participated in the defined contribution plan
2 established pursuant to sections 104.1200 to 104.1215 **and who received contributions** for at
3 least six years may elect to become a member of the Missouri state employees' retirement system.
4 Such employee shall:

5 (1) Make such election while actively employed in a position that would otherwise be
6 eligible for membership in the Missouri state employees' retirement system except for the
7 provisions of sections 104.1200 to 104.1215;

8 (2) Participate in the year 2000 plan;

9 (3) Be considered to have met the service requirements contained in section 104.1018;

10 (4) Not receive any credited service for service rendered while a participant in such
11 defined contribution plan;

12 (5) Forfeit any right to future participation in the defined contribution plan after such
13 election; and

14 (6) Not be eligible to receive credited service pursuant to section 104.1090 based on
15 service rendered while a participant in such defined contribution plan.

476.682. 1. Any person assigned as a senior judge or senior commissioner pursuant to
2 section 26 of article V of the Missouri Constitution and who has served in this state an aggregate
3 of at least two years, continuously or otherwise, as a judge or commissioner, shall receive for
4 each day of service an amount equal to fifty percent of the current annual salary of the office
5 from which the judge or senior commissioner retired attributable to one day of service.
6 Notwithstanding the foregoing, any judge or commissioner who has retired prior to August 28,
7 1999, who serves subsequent to said date as a senior judge or commissioner may receive
8 compensation pursuant to this section regardless of their length of service; and no senior judge
9 or senior commissioner shall receive less daily compensation than an amount, that when added
10 to the daily amount of annual compensation payable pursuant to sections 476.450 to 476.595,

11 is less than one hundred percent of the current annual salary of the office from which the judge
12 or commissioner retired attributable to one day of service. For purposes of this subsection, one
13 year shall equal two hundred thirty-five days. No senior judge or senior commissioner shall
14 receive compensation pursuant to this subsection in a total amount that when such compensation
15 is added to the annual compensation, salary or retirement compensation payable pursuant to
16 sections 476.450 to 476.595, the sum is greater than the current annual salary of the office from
17 which the judge or commissioner retired.

18 2. A senior judge or senior commissioner assigned pursuant to section 26 of article V
19 of the Missouri Constitution for service outside the county where he or she resides shall be
20 reimbursed for his or her travel and other actual and necessary expenses incurred in the
21 performance of his or her services.

22 3. On or before the tenth day of each month a senior judge or senior commissioner shall
23 certify to the state courts administrator the period during the previous month during which he or
24 she was assigned services and, if such services were completed, the date thereof and at the same
25 time shall certify his or her expenses incurred and allowable under this section. The state courts
26 administrator shall then issue a warrant to the state treasurer for the payment of the salary and
27 expenses to the extent and within limitations provided for in this section. The state treasurer
28 upon receipt of such warrant shall pay the same out of any appropriations made for this purpose
29 on the last day of the month during which the warrant was received by him or her.

30 4. On or before the twentieth day of each month the state courts administrator shall
31 certify the period of service reported by each senior judge or senior commissioner pursuant to
32 subsection 3 of this section to the Missouri state employees' retirement system. [Any senior
33 judge or senior commissioner] **After** accumulating two hundred thirty-five days of such service,
34 **such senior judge or senior commissioner** shall receive credit for one year of judicial service
35 for purposes of sections 476.520 and 476.545, **and subsequently shall receive credit for one**
36 **year of judicial service** for each **additional period of** two hundred thirty-five days of service
37 certified by the state courts administrator to the Missouri state employees' retirement system,
38 except, if a pro rata portion of two hundred thirty-five days would cause the senior judge's or
39 senior commissioner's total judicial service to equal twelve years, the Missouri state employees'
40 retirement system shall credit the service at the time the pro rata portion is certified. [Upon
41 receipt of such certification,] The retirement benefit of the senior judge or senior commissioner
42 shall be recalculated [to reflect the attainment of twelve years; the adjusted benefit will become
43 effective the first of the month following certification] **after receiving each additional year of**
44 **service or pro rata portion of a year if it would cause such senior judge or commissioner's**
45 **total service to equal twelve years. In no event shall such senior judge or commissioner**
46 **receive service credit after such senior judge or commissioner's total judicial service equals**

47 **twelve years or retroactive benefits.**

48 5. Notwithstanding the provisions of section 476.510 or 476.565, no person shall receive
49 benefits pursuant to the provisions of this section if the person is engaged in the private practice
50 of law or doing a law business.

51 6. The judicial conference of the state of Missouri shall annually report on the use of
52 senior judges and senior commissioners pursuant to this section. Such report shall include at
53 least the number of senior judges and senior commissioners assigned, the number of cases
54 assigned and disposed of by senior judges and senior commissioners, and the expenditures made
55 for that purpose.
