3 percent minimum guarantee as defined in Section 124 of that act. Section 142.027 shall become  
4 effective on July first of the year following the federal fiscal year for which the funds were  
5 apportioned.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

6           2. Section 142.028 shall become effective July 1, 1989.

7           3. Section 142.027 shall expire on June 30, 1996.] Section 142.028 shall expire on  
8 December 31, [2007] **2015**.

142.031. 1. As used in this section the following terms shall mean:

2           (1) "Biodiesel", fuel as defined in ASTM Standard D-6751 or its subsequent standard  
3 specifications for biodiesel fuel (B100) blend stock for distillate fuels;

4           (2) "Qualified biodiesel producer", a facility that produces biodiesel, is registered with  
5 the United States Environmental Protection Agency according to the requirements of 40 CFR  
6 79, and at least fifty-one percent is owned by agricultural producers actively engaged in  
7 agricultural production for commercial purposes.

8           2. The "Missouri Qualified Biodiesel Producer Incentive Fund" is hereby created and  
9 subject to appropriations [with funds, other than general revenue funds,] shall be used to provide  
10 economic subsidies to Missouri qualified biodiesel producers pursuant to this section. The  
11 director of the department of agriculture shall administer the fund pursuant to this section.

12           3. A Missouri qualified biodiesel producer shall be eligible for a monthly grant from the  
13 fund, except that a Missouri qualified biodiesel producer shall only be eligible for the grant for  
14 a total of sixty months **unless such producers during the sixty months fail, due to a lack of**  
15 **appropriations, to receive the full amount from the fund for which the producers were**  
16 **eligible, in which case such producers shall continue to be eligible for up to twenty-four**  
17 **additional months or until they have received the maximum amount of funding for which**  
18 **such producers were eligible during the original sixty-month time period.** The amount of  
19 the grant is determined by calculating the estimated gallons of qualified biodiesel produced  
20 during the preceding month from Missouri agricultural products, as certified by the department  
21 of agriculture, and applying such figure to the per-gallon incentive credit established in this  
22 subsection. Each Missouri qualified biodiesel producer shall be eligible for a total grant in any  
23 fiscal year equal to thirty cents per gallon for the first fifteen million gallons of qualified  
24 biodiesel produced from Missouri agricultural products in the fiscal year **plus ten cents per**  
25 **gallon for the next fifteen million gallons of qualified biodiesel produced from Missouri**  
26 **agricultural products in the fiscal year.** All such qualified biodiesel produced by a Missouri  
27 qualified biodiesel producer in excess of [fifteen] **thirty million** gallons shall not be applied to  
28 the computation of a grant pursuant to this subsection. The department of agriculture shall pay  
29 all grants for a particular month by the fifteenth day after receipt and approval of the application  
30 described in subsection 4 of this section.

31           4. In order for a Missouri qualified biodiesel producer to obtain a grant from the fund,  
32 an application for such funds shall be received no later than fifteen days following the last day  
33 of the month for which the grant is sought. The application shall include:

- 34 (1) The location of the Missouri qualified biodiesel producer;
- 35 (2) The average number of citizens of Missouri employed by the Missouri qualified  
36 biodiesel producer in the preceding month, if applicable;
- 37 (3) The number of bushel equivalents of Missouri agricultural commodities used by the  
38 Missouri qualified biodiesel producer in the production of biodiesel in the preceding month;
- 39 (4) The number of gallons of qualified biodiesel the producer manufactures during the  
40 month for which the grant is applied;
- 41 (5) A copy of the qualified biodiesel producer license required pursuant to subsection  
42 5 of this section, name and address of surety company, and amount of bond to be posted pursuant  
43 to subsection 5 of this section; and
- 44 (6) Any other information deemed necessary by the department of agriculture to  
45 adequately ensure that such grants shall be made only to Missouri qualified biodiesel producers.
- 46 5. The director of the department of agriculture, in consultation with the department of  
47 revenue, shall promulgate rules and regulations necessary for the administration of the provisions  
48 of this section.
- 49 6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that  
50 is created under the authority delegated in this section shall become effective only if it complies  
51 with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section  
52 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers  
53 vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the  
54 effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the  
55 grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be  
56 invalid and void.

142.815. 1. Motor fuel used for the following nonhighway purposes is exempt from the  
2 fuel tax imposed by this chapter, and a refund may be claimed by the consumer, except as  
3 provided for in subsection (1) of this section, if the tax has been paid and no refund has been  
4 previously issued:

- 5 (1) Motor fuel used for nonhighway purposes including fuel for farm tractors or  
6 stationary engines owned or leased and operated by any person and used exclusively for  
7 agricultural purposes **and including, beginning January 1, 2006, bulk sales of one hundred**  
8 **gallons or more of gasoline made to farmers and delivered by the ultimate vender to a farm**  
9 **location for agricultural purposes only. As used in this section, the term "farmer" shall**  
10 **mean any person engaged in farming in an authorized farm corporation, family farm, or**  
11 **family farm corporation as defined in section 350.010, RSMo.** At the discretion of the  
12 ultimate vender, the refund may be claimed by the ultimate vender on behalf of the consumer for  
13 sales made to farmers and to persons engaged in construction for agricultural purposes as defined

14 in section 142.800. After December 31, 2000, the refund may be claimed only by the consumer  
15 and may not be claimed by the ultimate vender **unless bulk sales of gasoline are made to a**  
16 **farmer after January 1, 2006, as provided in this subdivision and the farmer provides an**  
17 **exemption certificate to the ultimate vender, in which case the ultimate vender may make**  
18 **a claim for refund under section 142.824 but shall be liable for any erroneous refund;**

19 (2) Kerosene sold for use as fuel to generate power in aircraft engines, whether in aircraft  
20 or for training, testing or research purposes of aircraft engines;

21 (3) Diesel fuel used as heating oil, or in railroad locomotives or any other motorized  
22 flanged-wheel rail equipment, or used for other nonhighway purposes other than as expressly  
23 exempted pursuant to another provision.

24 2. Subject to the procedural requirements and conditions set out in this chapter, the  
25 following uses are exempt from the tax imposed by section 142.803 on motor fuel, and a  
26 deduction or a refund may be claimed:

27 (1) Motor fuel for which proof of export is available in the form of a terminal-issued  
28 destination state shipping paper and which is either:

29 (a) Exported by a supplier who is licensed in the destination state or through the bulk  
30 transfer system;

31 (b) Removed by a licensed distributor for immediate export to a state for which all the  
32 applicable taxes and fees (however nominated in that state) of the destination state have been  
33 paid to the supplier, as a trustee, who is licensed to remit tax to the destination state; or which  
34 is destined for use within the destination state by the federal government for which an exemption  
35 has been made available by the destination state subject to procedural rules and regulations  
36 promulgated by the director; or

37 (c) Acquired by a licensed distributor and which the tax imposed by this chapter has  
38 previously been paid or accrued either as a result of being stored outside of the bulk transfer  
39 system immediately prior to loading or as a diversion across state boundaries properly reported  
40 in conformity with this chapter and was subsequently exported from this state on behalf of the  
41 distributor;

42

43 The exemption pursuant to paragraph (a) of this subdivision shall be claimed by a deduction on  
44 the report of the supplier which is otherwise responsible for remitting the tax upon removal of  
45 the product from a terminal or refinery in this state. The exemption pursuant to paragraphs (b)  
46 and (c) of this subdivision shall be claimed by the distributor, upon a refund application made  
47 to the director within three years. A refund claim may be made monthly or whenever the claim  
48 exceeds one thousand dollars;

49 (2) Undyed K-1 kerosene sold at retail through dispensers which have been designed and

50 constructed to prevent delivery directly from the dispenser into a vehicle fuel supply tank, and  
51 undyed K-1 kerosene sold at retail through nonbarricaded dispensers in quantities of not more  
52 than twenty-one gallons for use other than for highway purposes. Exempt use of undyed  
53 kerosene shall be governed by rules and regulations of the director. If no rules or regulations are  
54 promulgated by the director, then the exempt use of undyed kerosene shall be governed by rules  
55 and regulations of the Internal Revenue Service. A distributor or supplier delivering to a retail  
56 facility shall obtain an exemption certificate from the owner or operator of such facility stating  
57 that its sales conform to the dispenser requirements of this subdivision. A licensed distributor,  
58 having obtained such certificate, may provide a copy to his or her supplier and obtain undyed  
59 kerosene without the tax levied by section 142.803. Having obtained such certificate in good  
60 faith, such supplier shall be relieved of any responsibility if the fuel is later used in a taxable  
61 manner. An ultimate vendor who obtained undyed kerosene upon which the tax levied by  
62 section 142.803 had been paid and makes sales qualifying pursuant to this subsection, may apply  
63 for a refund of the tax pursuant to application, as provided in section 142.818, to the director  
64 provided the ultimate vendor did not charge such tax to the consumer;

65 (3) Motor fuel sold to the United States or any agency or instrumentality thereof. This  
66 exemption shall be claimed as provided in section 142.818;

67 (4) Motor fuel used solely and exclusively as fuel to propel motor vehicles on the public  
68 roads and highways of this state when leased or owned and when being operated by a federally  
69 recognized Indian tribe in the performance of essential governmental functions, such as  
70 providing police, fire, health or water services. The exemption for use pursuant to this  
71 subdivision shall be made available to the tribal government upon a refund application stating  
72 that the motor fuel was purchased for the exclusive use of the tribe in performing named  
73 essential governmental services;

74 (5) Motor fuel sold within an Indian reservation or within Indian country by a federally  
75 recognized Indian tribe to a member of that tribe and used in motor vehicles owned by a member  
76 of the tribe within Indian country. This exemption does not apply to sales within an Indian  
77 reservation or within Indian country by a federally recognized Indian tribe to non-Indian  
78 consumers or to Indian consumers who are not members of the tribe selling the motor fuel. This  
79 exemption shall be administered as provided in section 142.821;

80 (6) That portion of motor fuel used to operate equipment attached to a motor vehicle, if  
81 the motor fuel was placed into the fuel supply tank of a motor vehicle that has a common fuel  
82 reservoir for travel on a highway and for the operation of equipment, or if the motor fuel was  
83 placed in a separate fuel tank and used only for the operation of auxiliary equipment. The  
84 exemption for use pursuant to this subdivision shall be claimed by a refund claim filed by the  
85 consumer who shall provide evidence of an allocation of use satisfactory to the director;

86 (7) Motor fuel acquired by a consumer out-of-state and carried into this state, retained  
87 within and consumed from the same vehicle fuel supply tank within which it was imported,  
88 except interstate motor fuel users;

89 (8) Motor fuel which was purchased tax-paid and which was lost or destroyed as a direct  
90 result of a sudden and unexpected casualty or which had been accidentally contaminated so as  
91 to be unsalable as highway fuel as shown by proper documentation as required by the director.  
92 The exemption pursuant to this subdivision shall be refunded to the person or entity owning the  
93 motor fuel at the time of the contamination or loss. Such person shall notify the director in  
94 writing of such event and the amount of motor fuel lost or contaminated within ten days from  
95 the date of discovery of such loss or contamination, and within thirty days after such notice, shall  
96 file an affidavit sworn to by the person having immediate custody of such motor fuel at the time  
97 of the loss or contamination, setting forth in full the circumstances and the amount of the loss  
98 or contamination and such other information with respect thereto as the director may require;

99 (9) Dyed diesel fuel or dyed kerosene used for an exempt purpose. This exemption shall  
100 be claimed as follows:

101 (a) A supplier or importer shall take a deduction against motor fuel tax owed on their  
102 monthly report for those gallons of dyed diesel fuel or dyed kerosene imported or removed from  
103 a terminal or refinery destined for delivery to a point in this state as shown on the shipping  
104 papers;

105 (b) This exemption shall be claimed by a deduction on the report of the supplier which  
106 is otherwise responsible for remitting the tax on removal of the product from a terminal or  
107 refinery in this state;

108 (c) This exemption shall be claimed by the distributor, upon a refund application made  
109 to the director within three years. A refund claim may be made monthly or whenever the claim  
110 exceeds one thousand dollars.

144.010. 1. The following words, terms, and phrases when used in sections 144.010 to  
2 144.525 have the meanings ascribed to them in this section, except when the context indicates  
3 a different meaning:

4 (1) "Admission" includes seats and tables, reserved or otherwise, and other similar  
5 accommodations and charges made therefor and amount paid for admission, exclusive of any  
6 admission tax imposed by the federal government or by sections 144.010 to 144.525;

7 (2) "Business" includes any activity engaged in by any person, or caused to be engaged  
8 in by him, with the object of gain, benefit or advantage, either direct or indirect, and the  
9 classification of which business is of such character as to be subject to the terms of sections  
10 144.010 to 144.525. The isolated or occasional sale of tangible personal property, service,  
11 substance, or thing, by a person not engaged in such business, does not constitute engaging in

12 business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross  
13 receipts from such sales, exclusive of receipts from the sale of tangible personal property by  
14 persons which property is sold in the course of the partial or complete liquidation of a household,  
15 farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The  
16 provisions of this subdivision shall not be construed to make any sale of property which is  
17 exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

18 (3) "Gross receipts", except as provided in section 144.012, means the total amount of  
19 the sale price of the sales at retail including any services other than charges incident to the  
20 extension of credit that are a part of such sales made by the businesses herein referred to, capable  
21 of being valued in money, whether received in money or otherwise; except that, the term "gross  
22 receipts" shall not include the sale price of property returned by customers when the full sale  
23 price thereof is refunded either in cash or by credit. In determining any tax due under sections  
24 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be  
25 specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the  
26 sale price above mentioned shall be deemed to be the amount received. It shall also include the  
27 lease or rental consideration where the right to continuous possession or use of any article of  
28 tangible personal property is granted under a lease or contract and such transfer of possession  
29 would be taxable if outright sale were made and, in such cases, the same shall be taxable as if  
30 outright sale were made and considered as a sale of such article, and the tax shall be computed  
31 and paid by the lessee upon the rentals paid;

32 (4) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to,  
33 ostrich and emu, aquatic products as defined in section 277.024, RSMo, **llamas, alpaca, buffalo,**  
34 elk documented as obtained from a legal source and not from the wild, goats, horses, other  
35 equine, or rabbits raised in confinement for human consumption;

36 (5) "Motor vehicle leasing company" shall be a company obtaining a permit from the  
37 director of revenue to operate as a motor vehicle leasing company. Not all persons renting or  
38 leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to  
39 obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section  
40 144.070, as hereinafter provided;

41 (6) "Person" includes any individual, firm, copartnership, joint adventure, association,  
42 corporation, municipal or private, and whether organized for profit or not, state, county, political  
43 subdivision, state department, commission, board, bureau or agency, except the state  
44 transportation department, estate, trust, business trust, receiver or trustee appointed by the state  
45 or federal court, syndicate, or any other group or combination acting as a unit, and the plural as  
46 well as the singular number;

47 (7) "Purchaser" means a person who purchases tangible personal property or to whom

48 are rendered services, receipts from which are taxable under sections 144.010 to 144.525;

49 (8) "Research or experimentation activities", are the development of an experimental or  
50 pilot model, plant process, formula, invention or similar property, and the improvement of  
51 existing property of such type. Research or experimentation activities do not include activities  
52 such as ordinary testing or inspection of materials or products for quality control, efficiency  
53 surveys, advertising promotions or research in connection with literary, historical or similar  
54 projects;

55 (9) "Sale" or "sales" includes installment and credit sales, and the exchange of properties  
56 as well as the sale thereof for money, every closed transaction constituting a sale, and means any  
57 transfer, exchange or barter, conditional or otherwise, in any manner or by any means  
58 whatsoever, of tangible personal property for valuable consideration and the rendering,  
59 furnishing or selling for a valuable consideration any of the substances, things and services  
60 herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

61 (10) "Sale at retail" means any transfer made by any person engaged in business as  
62 defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use  
63 or consumption and not for resale in any form as tangible personal property, for a valuable  
64 consideration; except that, for the purposes of sections 144.010 to 144.525 and the tax imposed  
65 thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists,  
66 optometrists and veterinarians and used in the practice of their professions shall be deemed to  
67 be purchases for use or consumption and not for resale; and (ii) the selling of computer printouts,  
68 computer output or microfilm or microfiche and computer-assisted photo compositions to a  
69 purchaser to enable the purchaser to obtain for his or her own use the desired information  
70 contained in such computer printouts, computer output on microfilm or microfiche and  
71 computer-assisted photo compositions shall be considered as the sale of a service and not as the  
72 sale of tangible personal property. Where necessary to conform to the context of sections  
73 144.010 to 144.525 and the tax imposed thereby, the term "sale at retail" shall be construed to  
74 embrace:

75 (a) Sales of admission tickets, cash admissions, charges and fees to or in places of  
76 amusement, entertainment and recreation, games and athletic events;

77 (b) Sales of electricity, electrical current, water and gas, natural or artificial, to domestic,  
78 commercial or industrial consumers;

79 (c) Sales of local and long distance telecommunications service to telecommunications  
80 subscribers and to others through equipment of telecommunications subscribers for the  
81 transmission of messages and conversations, and the sale, rental or leasing of all equipment or  
82 services pertaining or incidental thereto;

83 (d) Sales of service for transmission of messages by telegraph companies;

84 (e) Sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern,  
85 inn, restaurant, eating house, drugstore, dining car, tourist camp, tourist cabin, or other place in  
86 which rooms, meals or drinks are regularly served to the public;

87 (f) Sales of tickets by every person operating a railroad, sleeping car, dining car, express  
88 car, boat, airplane, and such buses and trucks as are licensed by the division of motor carrier and  
89 railroad safety of the department of economic development of Missouri, engaged in the  
90 transportation of persons for hire;

91 (11) "Seller" means a person selling or furnishing tangible personal property or rendering  
92 services, on the receipts from which a tax is imposed pursuant to section 144.020;

93 (12) The noun "tax" means either the tax payable by the purchaser of a commodity or  
94 service subject to tax, or the aggregate amount of taxes due from the vendor of such commodities  
95 or services during the period for which he or she is required to report his or her collections, as  
96 the context may require;

97 (13) "Telecommunications service", for the purpose of this chapter, the transmission of  
98 information by wire, radio, optical cable, coaxial cable, electronic impulses, or other similar  
99 means. As used in this definition, "information" means knowledge or intelligence represented  
100 by any form of writing, signs, signals, pictures, sounds, or any other symbols.  
101 Telecommunications service does not include the following if such services are separately stated  
102 on the customer's bill or on records of the seller maintained in the ordinary course of business:

103 (a) Access to the Internet, access to interactive computer services or electronic  
104 publishing services, except the amount paid for the telecommunications service used to provide  
105 such access;

106 (b) Answering services and one-way paging services;

107 (c) Private mobile radio services which are not two-way commercial mobile radio  
108 services such as wireless telephone, personal communications services or enhanced specialized  
109 mobile radio services as defined pursuant to federal law; or

110 (d) Cable or satellite television or music services; and

111 (14) "Product which is intended to be sold ultimately for final use or consumption"  
112 means tangible personal property, or any service that is subject to state or local sales or use taxes,  
113 or any tax that is substantially equivalent thereto, in this state or any other state.

114 2. For purposes of the taxes imposed under sections 144.010 to 144.525, and any other  
115 provisions of law pertaining to sales or use taxes which incorporate the provisions of sections  
116 144.010 to 144.525 by reference, the term "manufactured homes" shall have the same meaning  
117 given it in section 700.010, RSMo.

118 3. Sections 144.010 to 144.525 may be known and quoted as the "Sales Tax Law".

144.030. 1. There is hereby specifically exempted from the provisions of sections

2 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to  
3 sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and  
4 any other state of the United States, or between this state and any foreign country, and any retail  
5 sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws  
6 of the United States of America, and such retail sales of tangible personal property which the  
7 general assembly of the state of Missouri is prohibited from taxing or further taxing by the  
8 constitution of this state.

9 2. There are also specifically exempted from the provisions of the local sales tax law as  
10 defined in section 32.085, RSMo, section 238.235, RSMo, and sections 144.010 to 144.525 and  
11 144.600 to 144.745 and from the computation of the tax levied, assessed or payable pursuant to

56 5. The funds derived from contributions in this section shall be used for financial  
57 assistance or technical assistance for the purposes provided in section 348.407, to rural  
58 agricultural business concepts as approved by the authority. The authority may provide or  
59 facilitate loans, equity investments, or guaranteed loans for rural agricultural business concepts,  
60 but limited to two million dollars per project or the net state economic impact, whichever is less.  
61 Loans, equity investments or guaranteed loans may only be provided to feasible projects, and for  
62 an amount that is the least amount necessary to cause the project to occur, as determined by the  
63 authority. The authority may structure the loans, equity investments or guaranteed loans in a way  
64 that facilitates the project, but also provides for a compensatory return on investment or loan  
65 payment to the authority, based on the risk of the project.

66 6. In any given year, at least ten percent of the funds granted to rural agricultural business  
67 concepts shall be awarded to grant requests of twenty-five thousand dollars or less. No single  
68 rural agricultural business concept shall receive more than two hundred thousand dollars in grant  
69 awards from the authority. Agricultural businesses owned by minority members or women shall  
70 be given consideration in the allocation of funds.

414.433. 1. As used in this section, the following terms mean:

- 2 (1) "B-20", a blend of two fuels of twenty percent by volume biodiesel and eighty  
3 percent by volume petroleum-based diesel fuel;

4 (2) "Biodiesel", as defined in ASTM Standard PS121 or its subsequent standard  
5 specification for biodiesel fuel (B 100) blend stock for distillate fuels;

6 (3) "Eligible new generation cooperative", a nonprofit farmer-owned cooperative  
7 association formed pursuant to chapter 274, RSMo, or incorporated pursuant to chapter 357,  
8 RSMo, for the purpose of operating a development facility or a renewable fuel production  
9 facility, as defined in section 348.430, RSMo.

10 2. Beginning with the 2002-03 school year and lasting through the [2005-06] **2011-12**  
11 school year, any school district may contract with an eligible new generation cooperative to  
12 purchase biodiesel fuel for its buses of a minimum of B-20 under conditions set out in subsection  
13 3 of this section.

14 3. Every school district that contracts with an eligible new generation cooperative for  
15 biodiesel pursuant to subsection 2 of this section shall receive an additional payment through its  
16 state transportation aid payment pursuant to section 163.161, RSMo, so that the net price to the  
17 contracting district for biodiesel will not exceed the rack price of regular diesel. If there is no  
18 incremental cost difference between biodiesel above the rack price of regular diesel, then the  
19 state school aid program will not make payment for biodiesel purchased during the period where  
20 no incremental cost exists. The payment shall be made based on the incremental cost difference  
21 incrementally up to seven-tenths percent of the entitlement authorized by section 163.161,  
22 RSMo, for the 1998-99 school year. The payment amount may be increased by four percent each  
23 year during the life of the program. No payment shall be authorized pursuant to this subsection  
24 or contract required pursuant to subsection 2 of this section if moneys are not appropriated by  
25 the general assembly.

26 4. The department of elementary and secondary education shall promulgate such rules  
27 as are necessary to implement this section, including but not limited to a method of calculating  
28 the reimbursement of the contracting school districts and waiver procedures if the amount  
29 appropriated does not cover the additional costs for the use of biodiesel. Any rule or portion of  
30 a rule, as that term is defined in section 536.010, RSMo, that is created under the authority  
31 delegated in this section shall become effective only if it complies with and is subject to all of  
32 the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section  
33 and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general  
34 assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove  
35 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority  
36 and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

Section B. Because immediate action is necessary to ensure continuation of services in  
2 a drainage or levee district after corporate dissolution, the repeal and reenactment of section  
3 246.005 of section A of this act is deemed necessary, and is hereby declared to be an emergency

4 act within the meaning of the constitution, and the repeal and reenactment of section 246.005 of  
5 section A of this act shall be in full force and effect upon its passage and approval.
