

SCS HCS#2 HB 232 -- PATIENT HEALTH CARE RECORDS

Health care providers are currently allowed to charge a handling fee of \$15 plus 35 cents per page to copy a patient's health care record. This bill allows health care providers to increase the fee to not more than \$17.05 plus 40 cents per page and allows providers to charge up to \$2 for notary fees. The provider may condition the furnishing of the records on the payment of the fee.
