

HB 440 -- Student Members of University Governing Boards

Sponsor: Pratt

This bill gives voting rights to a student curator or governing board member for the University of Missouri, Southwest Missouri State University, or Truman State University. Currently, the boards have nonvoting student members. The bill does not change the status of the nonvoting member but requires that the next appointment of a voting member be a full-time student, who will serve for two years or as long as the person maintains full-time student status.
