

HB 522 -- Veterans Day

Sponsor: Zweifel

This bill allows any veteran to request not to work on Veterans Day and requires the employer to grant the request as long as the employee submits proof at least 30 days in advance that he or she is a veteran along with a written request for the day off.

In succeeding years, the veteran must submit a written request to the employer at least 30 days in advance if he or she wishes to take off on that day. An employer cannot take any punitive action against a veteran who exercises this right.
