

HB 561 -- St. Louis City Park Rangers

Sponsor: Kratky

This bill requires park rangers in the City of St. Louis to complete peace officer basic training, park ranger basic training, and any other program or training required by the city's director of parks, recreation, and forestry. Upon completion, park rangers will have limited arrest powers in city-owned parks and other lands under the director's jurisdiction. Park rangers must be armed while on duty and comply with the racial profile reporting law.
