

HB 650 -- Adoption Records

Sponsor: Johnson (61)

This bill allows an adopted person born in Missouri who is 18 years old or older to receive, upon written application, a certified copy of his or her unaltered, original birth certificate from the State Registrar.

Foreign-born persons who have been adopted by a Missouri resident according to the laws of other countries can submit a written application to the State Registrar to open adoption records when the adoptee is 18 years of age or older.
