

HB 665 -- Professional Registration

Sponsor: Behnen

This bill changes the laws regarding the licensing of certain professionals and the Division of Professional Registration. The bill:

- (1) Removes the grandfather provisions relating to the licensing of geologists;
- (2) Removes conflicting provisions of law relating to the definition of "physician assistants";
- (3) Redefines "student athlete" within the provisions relating to athletic contracts; and
- (4) Removes the requirement that the division wait 30 days before informing a licensee that they are in violation of their licensing requirements prior to engaging in settlement negotiations and shortens the time from 60 to 30 days that the licensee has to consider the settlement offer prior to contacting the respective board to discuss the settlement offer.
