

HB 700 -- DEPARTMENT OF CORRECTIONS (Moore)

COMMITTEE OF ORIGIN: Corrections and Public Institutions

This bill authorizes the Board of Probation and Parole to charge offenders placed under the supervision of the board a fee of up to \$60 a month. All fees will be deposited into the Inmate Fund within the state treasury and may be used for community corrections and intervention services for offenders. The board will adopt rules sanctioning offenders for nonpayment and establishing, waiving, collecting, and using the fees.

The bill also makes it a class C felony for any person held in a correctional setting within this state who is knowingly infected with HIV, hepatitis B, or hepatitis C to intentionally cause another person to come into contact with any of their bodily fluids.

FISCAL NOTE: No impact on state funds in FY 2006, FY 2007, and FY 2008.
