

HB 749 -- School Zones

Sponsor: Dixon

This bill allows Greene County if they elect to establish a school zone designation for streets surrounding a school to erect signs on or around the school zone which are clearly visible from the highway and clearly indicate the boundaries of the school zone and the hours of enforcement. These signs will state the following: "Warning: \$250 fine for traffic violations in this school zone."

Any person found guilty of a moving violation on the first conviction will be assessed a fine of \$35 in addition to any other fine authorized by law if the offense occurred within a school zone during the hours of enforcement and \$100 on a second or subsequent conviction. Persons guilty of any speeding violation will be subject to a \$250 fine for a first conviction and a \$350 fine on any subsequent conviction.

The bill contains an emergency clause.
