Section A. Sections 86.1110, 86.1140, 86.1490, and 86.1500, RSMo, are repealed and
2 four new sections enacted in lieu thereof, to be known as sections 86.1110, 86.1140, 86.1490,
3 and 86.1500, to read as follows:

86.1110. 1. Whenever a member is given a leave of absence for military service and
2 returns to employment after discharge from the service, such member shall be entitled to
3 creditable service for the years of employment prior to the leave of absence.

4 2. [Any] **Except as provided in subsection 3 of this section**, a member who served on
5 active duty in the armed forces of the United States and who became a member, or returned to
6 membership, after discharge under honorable conditions, may elect prior to retirement to

14 service credit to be purchased, as of the date the member elects to make such purchase. The
15 retirement system shall determine such value using accepted actuarial methods and the same
16 assumptions with respect to interest rates, mortality, future salary increases, and all related
17 factors used in performing the most recent regular actuarial valuation of the retirement system.
18 Payment in full of the amount due from a member electing to purchase creditable service under
19 this subsection shall be made over a period not to exceed five years, measured from the date of
20 election, or prior to the commencement date for payment of benefits to the member from the
21 retirement system, whichever is earlier, including interest on unpaid balances compounded
22 annually at the interest rate assumed from time to time for actuarial valuations of the retirement
23 system. If payment in full including interest is not made within the prescribed period, any partial
24 payments made by the member shall be refunded, and no creditable service attributable to such
25 election, or as a result of any such partial payments, shall be allowed; provided that if a benefit
26 commencement date occurs because of the death or disability of a member who has made an
27 election under this subsection and if the member is current in payments under an approved
28 installment plan at the time of the death or disability, such election shall be valid if the member,
29 the surviving spouse, or other person entitled to benefit payments pays the entire balance of the
30 remaining amount due, including interest to the date of such payment, within sixty days after the
31 member's death or disability. The time of a disability shall be deemed to be the time when such
32 member is retired by the board of police commissioners for reason of disability as provided in
33 sections 86.900 to 86.1280.

4 for thirty consecutive days or less, such member shall receive creditable service for such time.

5 3. **Except as provided in subsection 3 of section 86.1110**, if a member is on leave of

10 than a United States military service retirement system or United States Social Security benefits
11 attributable to such military service, and an affidavit so stating is filed by the member with the
12 retirement system. A member electing to make such purchase shall pay to the retirement system
13 an amount equal to the actuarial value of the additional benefits attributable to the additional
14 service credit to be purchased, as of the date the member elects to make such purchase. The
15 retirement system shall determine such value using accepted actuarial methods and the same

16 assumptions with respect to interest rates, mortality, future salary increases, and all related
17 factors used in performing the most recent regular actuarial valuation of the retirement system.
18 Payment in full of the amount due from a member electing to purchase creditable service under
19 this subsection shall be made over a period not to exceed five years, measured from the date of
