132 January 1, 2005; except that, on or after July 1, 2005, less restrictive income methodologies, as
133 authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if
134 authorized by annual appropriation;

135 (b) All persons who would be determined to be eligible for aid to the blind benefits
136 under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section

138 1, 2005, except that less restrictive income methodologies, as authorized in 42 U.S.C. Section
139 1396a(r)(2), shall be used to raise the income limit to one hundred percent of the federal poverty
140 level;

141 (c) All persons who would be determined to be eligible for permanent and total disability

152 eligible during a period of presumptive eligibility in accordance with 42 U.S.C. 1396r-1.

153 2. Rules and regulations to implement this section shall be promulgated in accordance
154 with section 431.064, RSMo, and chapter 536, RSMo. Any rule or portion of a rule, as that term

155 is defined in section 536.010, RSMo, that is created under the authority delegated in this section
156 shall become effective only if it complies with and is subject to all of the provisions of chapter
157 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo,
158 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter
159 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are
160 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed

163 pursuant to 42 U.S.C. 601 et seq., as amended, in at least three of the last six months
164 immediately preceding the month in which such family became ineligible for such assistance
165 because of increased income from employment shall, while a member of such family is
166 employed, remain eligible for medical assistance for four calendar months following the month
167 in which such family would otherwise be determined to be ineligible for such assistance because
168 of income and resource limitation. After April 1, 1990, any family receiving aid pursuant to 42
169 U.S.C. 601 et seq., as amended, in at least three of the six months immediately preceding the
170 month in which such family becomes ineligible for such aid, because of hours of employment
171 or income from employment of the caretaker relative, shall remain eligible for medical assistance
172 for six calendar months following the month of such ineligibility as long as such family includes

174 assistance during the entire six-month period described in this section and which meets reporting
175 requirements and income tests established by the division and continues to include a child as
176 provided in 42 U.S.C. 1396r-6 shall receive medical assistance without fee for an additional six
177 months. The division of medical services may provide by rule and as authorized by annual
178 appropriation the scope of medical assistance coverage to be granted to such families.

179 4. When any individual has been determined to be eligible for medical assistance, such
180 medical assistance will be made available to him or her for care and services furnished in or after
181 the third month before the month in which he made application for such assistance if such
182 individual was, or upon application would have been, eligible for such assistance at the time such
183 care and services were furnished; provided, further, that such medical expenses remain unpaid.

184 5. The department of social services may apply to the federal Department of Health and
185 Human Services for a Medicaid waiver amendment to the Section 1115 demonstration waiver
186 or for any additional Medicaid waivers necessary not to exceed one million dollars in additional
187 costs to the state. A request for such a waiver so submitted shall only become effective by

191 respective elected members thereof.
