Read 2nd time January 9, 2006 and referred to the Committee on Higher Education February 2, 2006.

Reported from the Committee on Higher Education February 21, 2006 with recommendation that the bill Do Pass by Consent. Referred to the Committee on Rules pursuant to Rule 25(26)(f).

Reported from the Committee on Rules February 23, 2006 with recommendation that the bill Do Pass by Consent.

Perfectured by Consent March 2, 2006.

STEPHEN S. DAVIS, Chief Clerk

4053L.01P

AN ACT

To repeal section 172.287, RSMo, and to enact in lieu thereof one new section relating to equipment grants for engineering programs.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 172.287, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 172.287, to read as follows:

172.287. 1. The University of Missouri shall annually request an appropriation under capital improvements, subject to availability of funds, for a program of grants established for the engineering colleges of the University of Missouri for the purpose of assisting such colleges in the purchase of teaching and research laboratory equipment exclusive of laboratory or classroom furniture. The amount granted for each engineering college may not exceed the lesser of an amount equal to one thousand two hundred dollars per each such bachelor's degree awarded in the previous fiscal year in all engineering programs currently accredited by the accreditation board for engineering and technology, or the dollar value of new funds for equipment purchase

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

9 which such colleges may obtain from sources other than state appropriations for laboratory equipment.

10 2. For purposes of this section, the fair market value of in-kind contributions of
11 laboratory equipment to the colleges may be included as funds for equipment purchase from
12 sources other than state appropriations. In the event that new funds for laboratory equipment
13 purchase obtained by any college of engineering from such nonstate sources exceed the amount
14 necessary to reach the maximum dollar limits herein specified, such excess amounts will be
15 carried over to the following fiscal year and considered the same as that year's new equipment
16 funds from nonstate sources.

17 3. In the event that the appropriations for this grant program are insufficient to fund all
18 grants approved for a given fiscal year, all such grants shall be reduced pro rata as necessary.

19 4. The provisions of this section shall terminate on June 30, [2007] **2017**.
