

HB 1450 -- Human Cloning

Sponsor: Lembke

This bill prohibits individuals from knowingly engaging or participating in human cloning, knowingly using public funds to engage or attempt to engage in human cloning, and knowingly using public facilities for engaging in or attempting to engage in human cloning. Public employees are also prohibited from allowing other individuals to engage in or attempt to engage in human cloning while using public funds or public facilities. A violation of the bill will be a class B felony.
