

HB 1549 -- Proof of Lawful Presence

Sponsor: Pearce

This bill allows a military veteran to submit his or her certificate of release or discharge from active duty instead of submitting a birth certificate as proof of lawful presence for the purpose of obtaining a driver's or nondriver's license. If federal law or regulation prohibits this exception or results in the loss of federal funds, the Director of the Department of Revenue must apply for a federal waiver to allow the use of the form.
