

HB 1889 -- Salvage Vehicles

Sponsor: St. Onge

This bill specifies that damage as a result of hail or a windstorm will not be included in the total cost of rebuilding or reconstructing a vehicle for the purpose of determining whether a vehicle is a salvage vehicle.

The 30-day notification requirement to the Department of Revenue upon the transfer of ownership of a vehicle will not apply to the transfer of a motor vehicle or trailer to an insurance company due to a theft or casualty loss.
