

HB 1923 -- Proof of Lawful Presence

Sponsor: Bringer

This bill exempts applicants for a driver's or nondriver's license who were born prior to January 1, 1941, from submitting a birth certificate or other documents indicating proof of lawful presence. If any federal law or regulation authorizes any exemptions or modifications regarding the required submission of a birth certificate, the provisions of the bill will be deemed superseded by the federal law or regulation and terminated.
