

HB 2085 -- Governmental Audits

Sponsor: Low (39)

This bill establishes the Missouri Governmental Accountability Office which will be overseen by the State Auditor and will have the following responsibilities:

- (1) Determining whether fiscal notes were accurate by comparing the fiscal note estimates with actual outcomes;
- (2) Determining whether funding was appropriated properly; and
- (3) Reporting the actual year-end expenditures, revenue, and disbursements of the state.

The findings of the office will be public record and must be reported to the General Assembly and the Governor.
