

HB 2159 -- Missouri Civil Defense Fire Rescue Squad

Sponsor: Yates

This bill reorganizes Missouri's Volunteer Fire Protection Association and renames it the Missouri Civil Defense Fire Rescue Squad. The Missouri Civil Defense Fire Rescue Squad will provide its members and subscribers with fire rescue services and will provide the general public with public safety services as a standing ready-reserve fire rescue squad and civil defense emergency, catastrophe, and disaster response organization. The penalty provisions currently in law will be applicable to the new fire rescue squad.
