

HB 259 -- Missouri 4 For More Program

Sponsor: Hubbard

This bill establishes the Missouri 4 For More Program to allow parents, guardians, and step parents to receive four hours of paid leave each month to work with their children in their school. The school district will provide a written statement that indicates the person has spent four hours in the school working with his or her child. The program is optional and will be administered by the Department of Elementary and Secondary Education.
