

HB 391 -- Division of State Employees' Retirement Benefits

Sponsor: Dempsey

This bill clarifies the benefit amount payable to an ex-spouse when a division of benefits order has been issued and the ex-spouse is also the named beneficiary of a joint and survivor option under the Missouri State Employees' Retirement System (MOSERS) and the Missouri Department of Transportation and Highway Patrol Employees' Retirement System (MPERS).

The division of benefits order will be applied to either the plan the member was participating in on the date of dissolution or the Year 2000 Plan.
