

HB 515 -- Traffic Safety Task Forces

Sponsor: Salva

This bill allows any two or more subdivisions of Jackson County or the State Highway Patrol and any one or more political subdivision of Jackson County to enter into a contractual agreement with one another to form a multi-jurisdictional enforcement group for the purpose of intensive enforcement of the traffic laws of this state or any political subdivision.

Any peace officer who has completed the Peace Officer Standards and Training (POST) Program and is engaged in an enforcement activity of a multi-jurisdictional enforcement group will have the power to arrest within any political subdivision which is a member of that multi-jurisdictional enforcement group.
