

HB 814 -- Underage Drinking

Sponsor: Smith (14)

This bill specifies that any person who supplies intoxicating liquor to a person younger than 21 years of age, knowingly allows a person younger than 21 years of age to drink or possess intoxicating liquor on any property the person has exclusive use and enjoyment of, or knowingly fails to stop a person younger than 21 years of age from drinking or possessing intoxicating liquor may be liable to the parent or guardian of the underage person for any damages suffered by that person.

Any peace officer is allowed to request a chemical test from any person younger than 21 years of age if he or she believes that the person is intoxicated. Any underage person who refuses the chemical test will be deemed to be visibly intoxicated.
