

HB 1015 -- State School Aid

Sponsor: Aull

This bill changes the proration factors for calculating the portion of state school aid derived from the previous school foundation formula used during the transition from the old to the new formula. Each fiscal year from 2007-2008 to 2011-2012, an additional two one-hundredths will be added to the proration factors. Any additional revenue generated by the change must be used for the purposes specified in the bill including increased teacher salaries, alternative education programs, after-school programs, and employment of additional counselors or social workers.

The bill contains an emergency clause.
