

HB 2539 -- Fire Sprinkler Installers

Sponsor: Wasson

This bill authorizes the State Fire Marshal within the Department of Public Safety to establish procedures for the licensure of fire sprinkler installer contractors, fire sprinkler installers, and fire sprinkler installer assistants. No person may install, inspect, dismantle to terminate service, maintain, or repair any fire sprinkler system unless he or she is licensed by the State Fire Marshal.

The provisions of the bill will not apply to any municipal, county, or state employee while in the performance of his or her duties or anyone licensed as an engineer in this state.
