131 3. The department of health and senior services shall promulgate rules regarding contract
132 procedures and the documentation of care provided under paragraphs (b), (c), (d), (e), and (f) of

138 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured
139 pursuant to section 105.721, to the extent damages are allowed under sections 538.205 to
140 538.235, RSMo. Liability or malpractice insurance obtained and maintained in force by any

151 this section is repealed or modified, the state legal expense fund shall be available for damages
152 which occur while the pertinent paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of
153 subsection 2 of this section is in effect.

154 4. The attorney general shall promulgate rules regarding contract procedures and the
155 documentation of legal practice provided under subdivision (5) of subsection 2 of this section.
156 The limitation on payments from the state legal expense fund or any policy of insurance procured
157 pursuant to section 105.721 as provided in subsection 7 of this section shall not apply to any

claim or judgment arising under subdivision (5) of subsection 2 of this section. Any claim or judgment arising under subdivision (5) of subsection 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721 to the extent damages are allowed under sections 538.205 to 538.235, RSMo. Liability or malpractice insurance otherwise obtained and maintained in force shall not be considered available under subsection 7 of this section to pay that portion of a judgment or claim for which the state legal expense fund is liable under subdivision (5) of subsection 2 of this section. However, an attorney may obtain liability or malpractice insurance for coverage of liability claims or judgments based upon legal practice rendered under subdivision (5) of subsection 2 of this section that exceed the amount of liability coverage provided by the state legal expense fund under subdivision (5) of subsection 2 of this section. Even if subdivision (5) of subsection 2 of this section is repealed or amended, the state legal expense fund shall be available for damages that occur while the pertinent subdivision (5) of subsection 2 of this section is in effect.

5. All payments shall be made from the state legal expense fund by the commissioner of administration with the approval of the attorney general. Payment from the state legal expense fund of a claim or final judgment award against a health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338, RSMo, described in paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section, or against an attorney in subdivision (5) of subsection 2 of this section, shall only be made for services rendered in accordance with the conditions of such paragraphs. In the case of any claim or judgment against an officer or employee of the state or any agency of the state based upon conduct of such officer or employee arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state that would give rise to a cause of action under section 537.600, RSMo, the state legal expense fund shall be liable, excluding punitive damages, for:

- (1) Economic damages to any one claimant; and
- (2) Up to three hundred fifty thousand dollars for noneconomic damages. The state legal expense fund shall be the exclusive remedy and shall preclude any other civil actions or proceedings for money damages arising out of or relating to the same subject matter against the state officer or employee, or the officer's or employee's estate. No officer or employee of the state or any agency of the state shall be individually liable in his or her personal capacity for conduct of such officer or employee arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state. The provisions of this subsection shall not apply to any defendant who is not an officer or employee of the state or any agency of the state in any proceeding against an officer or employee of the state or any agency of the state. Nothing in this subsection shall limit the rights and remedies otherwise available to a claimant

193 under state law or common law in proceedings where one or more defendants is not an officer
194 or employee of the state or any agency of the state.

195 6. The limitation on awards for noneconomic damages provided for in this subsection
196 shall be increased or decreased on an annual basis effective January first of each year in
197 accordance with the Implicit Price Deflator for Personal Consumption Expenditures as published
198 by the Bureau of Economic Analysis of the United States Department of Commerce. The current
199 value of the limitation shall be calculated by the director of the department of insurance, financial
200 institutions and professional registration, who shall furnish that value to the secretary of state,
201 who shall publish such value in the Missouri Register as soon after each January first as
202 practicable, but it shall otherwise be exempt from the provisions of section 536.021, RSMo.

203 7. Except as provided in subsection 3 of this section, in the case of any claim or
204 judgment that arises under sections 537.600 and 537.610, RSMo, against the state of Missouri,
205 or an agency of the state, the aggregate of payments from the state legal expense fund and from
206 any policy of insurance procured pursuant to the provisions of section 105.721 shall not exceed
207 the limits of liability as provided in sections 537.600 to 537.610, RSMo. No payment shall be
208 made from the state legal expense fund or any policy of insurance procured with state funds
209 pursuant to section 105.721 unless and until the benefits provided to pay the claim by any other
210 policy of liability insurance have been exhausted.

211 8. The provisions of section 33.080, RSMo, notwithstanding, any moneys remaining to
212 the credit of the state legal expense fund at the end of an appropriation period shall not be
213 transferred to general revenue.

214 9. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that
215 is promulgated under the authority delegated in sections 105.711 to 105.726 shall become
216 effective only if it has been promulgated pursuant to the provisions of chapter 536, RSMo.
217 Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or
218 adopted prior to August 28, 1999, if it fully complied with the provisions of chapter 536, RSMo.
219 This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the
220 general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to
221 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
222 authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.
