9 classifications:

10 (1) Residential property;

11 (2) Agricultural and horticultural property;

12 (3) Utility, industrial, commercial, railroad, and all other property not included in
13 subclasses (1) and (2) of class 1. Property in the subclasses of class 1 may be defined by law,
14 however subclasses (1), (2), and (3) shall not be further divided, provided, land in subclass (2)
15 may by general law be assessed for tax purposes on its productive capability. The same

17 shall have a percentage of its true value in money in excess of thirty-three and one-third percent.]

Section 6. [1.] All **real** property[, real and personal,] of the state, counties and other
2 political subdivisions, and nonprofit cemeteries, shall be exempt from taxation; [all personal
3 property held as industrial inventories, including raw materials, work in progress and finished
4 work on hand, by manufacturers and refiners, and all personal property held as goods, wares,
5 merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail
6 merchants or establishments shall be exempt from taxation;] and all **real** property[, real and
7 personal,] not held for private or corporate profit and used exclusively for religious worship, for
8 schools and colleges, for purposes purely charitable, for agricultural and horticultural societies,
9 or for veterans' organizations may be exempted from taxation by general law. [In addition to the
10 above, household goods, furniture, wearing apparel and articles of personal use and adornment
11 owned and used by a person in his home or dwelling place may be exempt from taxation by
12 general law but any such law may provide for approximate restitution to the respective political
13 subdivisions of revenues lost by reason of the exemption.] **Beginning January 1, 2011, all
14 property in class 2 is hereby exempt from taxation, and any political subdivision which
15 previously imposed a tax on property in class 2 is hereby authorized to levy and impose,
16 with voter approval, a sales and use tax in an amount equal to or less than revenue lost as
17 a result of the tangible personal property exemption. Beginning January 1, 2011, any
18 political subdivision with a loss in revenue as a result of the valuation limit established in
19 section 4(b) of this article is hereby authorized to levy and impose, with voter approval, a
20 sales and use tax equal to or less than such revenue loss. All laws exempting from taxation
21 property other than the property enumerated in this article, shall be void. [The provisions of this
22 section exempting certain personal property of manufacturers, refiners, distributors, wholesalers,
23 and retail merchants and establishments from taxation shall become effective, unless otherwise
24 provided by law, in each county on January 1 of the year in which that county completes its first
25 general reassessment as defined by law.**

26 2. All revenues lost because of the exemption of certain personal property of
27 manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments shall
28 be replaced to each taxing authority within a county from a countywide tax hereby imposed on
29 all property in subclass 3 of class 1 in each county. For the year in which the exemption becomes
30 effective, the county clerk shall calculate the total revenue lost by all taxing authorities in the
31 county and extend upon all property in subclass 3 of class 1 within the county, a tax at the rate
32 necessary to produce that amount. The rate of tax levied in each county according to this
33 subsection shall not be increased above the rate first imposed and will stand levied at that rate
34 unless later reduced according to the provisions of subsection 3. The county collector shall
35 disburse the proceeds according to the revenue lost by each taxing authority because of the
36 exemption of such property in that county. Restitution of the revenues lost by any taxing district
37 contained in more than one county shall be from the several counties according to the revenue
38 lost because of the exemption of property in each county. Each year after the first year the
39 replacement tax is imposed, the amount distributed to each taxing authority in a county shall be
40 increased or decreased by an amount equal to the amount resulting from the change in that
41 district's total assessed value of property in subclass 3 of class 1 at the countywide replacement
42 tax rate. In order to implement the provisions of this subsection, the limits set in section 11(b)
43 of this article may be exceeded, without voter approval, if necessary to allow each county listed
44 in section 11(b) to comply with this subsection.

45 3. Any increase in the tax rate imposed pursuant to subsection 2 of this section shall be
46 decreased if such decrease is approved by a majority of the voters of the county voting on such
47 decrease. A decrease in the increased tax rate imposed under subsection 2 of this section may
48 be submitted to the voters of a county by the governing body thereof upon its own order,
49 ordinance, or resolution and shall be submitted upon the petition of at least eight percent of the
50 qualified voters who voted in the immediately preceding gubernatorial election.

51 4. As used in this section, the terms "revenues lost" and "lost revenues" shall mean that
52 revenue which each taxing authority received from the imposition of a tangible personal property
53 tax on all personal property held as industrial inventories, including raw materials, work in
54 progress and finished work on hand, by manufacturers and refiners, and all personal property
55 held as goods, wares, merchandise, stock in trade or inventory for resale by distributors,
56 wholesalers, or retail merchants or establishments in the last full tax year immediately preceding
57 the effective date of the exemption from taxation granted for such property under subsection 1
58 of this section, and which was no longer received after such exemption became effective.]

Section 8. The state tax on real [and tangible personal] property, exclusive of the tax
2 necessary to pay any bonded debt of the state, shall not exceed ten cents on the hundred dollars
3 assessed valuation.
