**FISCAL ANALYSIS**

ASSUMPTION

Officials from the **Department of Corrections, Department of Public Safety, and the Office of the State Public Defender** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of Prosecution Services** did not respond to Oversight's request for fiscal impact. However, in response to a similar proposal from the 2007 Session (HB 154, LR # 0260-01), officials assumed the proposal would not have a significant direct fiscal impact on county prosecutors or the Office of Prosecution Services.

Officials from the **Office of the Attorney General** did not respond to Oversight's request for fiscal impact. However, in response to a similar proposal from the 2008 Session (HB 1547, LR # 4106-01), officials assumed any potential costs arising from this proposal can be absorbed within existing resources. AGO assumed any additional complaints about automated calls can be absorbed within existing staff. Moreover, should the AGO need to promulgate any rules to administer these proposed legislative changes, AGO can absorb those costs as well.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this proposal for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed in a given year and that collectively the costs may be in excess of what the SOS can sustain with their core budget. Any additional required funding would be handled through the budget process.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

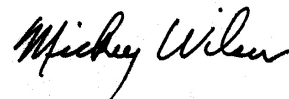

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
