

FIRST REGULAR SESSION

HOUSE BILL NO. 1171

95TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVES BURLISON (Sponsor) AND WILSON (130) (Co-sponsor).

2509L.011

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To amend chapter 191, RSMo, by adding thereto one new section relating to anatomic pathology services.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 191, RSMo, is amended by adding thereto one new section, to be known as section 191.890, to read as follows:

191.890. 1. For purposes of this section, the term "anatomic pathology services" means:

(1) "Histopathology" or "surgical pathology", the gross and microscopic examination and histologic processing of organ tissue performed by a physician or under the supervision of a physician;

(2) "Cytopathology", the examination of cells, from fluids, aspirates, washings, brushings, or smears, including the Pap test examination performed by a physician or under the supervision of a physician;

(3) "Hematology", the microscopic evaluation of bone marrow aspirates and biopsies performed by a physician or under the supervision of a licensed physician, and peripheral blood smears when the attending or treating physician or technologist requests that a blood smear be reviewed by a pathologist;

(4) Subcellular pathology and molecular pathology; and

(5) Blood-banking services performed by pathologists.

2. Except as provided under subsection 5 of this section, no licensed health care professional in the state shall, directly or indirectly, charge, bill, or otherwise solicit payment for anatomic pathology services unless such services were rendered personally by

18 the licensed health care professional or under the licensed health care professional's direct
19 supervision in accordance with section 353 of the Public Health Service Act, 42 U.S.C.
20 Section 263a.

21 3. No patient, insurer, third-party payor, hospital, public health clinic, or nonprofit
22 health clinic shall be required to reimburse any licensed health care professional for
23 charges or claims submitted in violation of this section.

24 4. Nothing in this section shall be construed to mandate the assignment of benefits
25 for anatomic pathology services as defined in this section.

26 5. The provisions of this section do not prohibit billing of a referring laboratory for
27 anatomic pathology services in instances where a sample or samples must be sent to
28 another specialist; except that for purposes of this subsection, "referring laboratory" does
29 not include a laboratory of a physician's office or group practice that does not perform the
30 technical or professional component of the anatomic pathology service involved.

31 6. The respective state licensing boards having jurisdiction over any health care
32 professional who may request or provide anatomic pathology services may revoke,
33 suspend, or deny renewal of the license of any health care professional who violates the
34 provisions of this section.

35 7. Nothing in this section shall be construed to prohibit a referring physician from
36 sending a patient's specimen to any laboratory providing anatomic pathology services.

37 8. A clinical laboratory or physician located in this state or in another state
38 providing anatomic pathology services for patients in this state shall present or cause to be
39 presented a claim, bill, or demand for payment for these services only to the following:

40 (1) The patient directly;

41 (2) The responsible insurer or other third-party payor;

42 (3) The hospital, public health clinic, or nonprofit health clinic ordering such
43 services;

44 (4) The referring laboratory, other than a laboratory of a physician's office or
45 group practice that does not perform the professional component of the anatomic
46 pathology service;

47 (5) Governmental agencies or their specified public or private agent, agency, or
48 organization on behalf of the recipient of the services.
