

JOURNAL OF THE HOUSE

First Regular Session, 95th GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, TUESDAY, FEBRUARY 24, 2009

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Father Justin Monaghan, St. Mary's Catholic Church, Joplin, Missouri.

O Gracious God, pour forth Your wisdom over the leaders of this Assembly. With their minds and hearts open to the betterment of all, allow that wisdom to help guide them and each of us to make decisions that will benefit all the citizens of this great state.

As they constructively and with principled integrity debate our great needs, may Your guidance be there to make this time productive and helpful to all.

We praise and thank You, God, for Your constant help and blessings. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: De'Lana Ashford, Kayla McDaniel, Gracie Martin and Kimberly Burton.

The Journal of the twenty-sixth day was approved as corrected.

HOUSE COMMITTEE SUBSTITUTE
FOR
HOUSE CONCURRENT RESOLUTION NO. 4

WHEREAS, dogs play an important role in the lives of many Missouri citizens by serving as companions, therapy dogs, and service dogs; and

WHEREAS, it is recognized that dog related problems are most often caused by irresponsible owners; and

WHEREAS, responsible dog ownership is encouraged in Missouri and responsible owners should properly control and provide adequate training for their dogs; and

WHEREAS, Canine Good Citizen programs identify and officially recognize those dogs who behave as members in good standing with the community; and

WHEREAS, the Canine Good Citizen Program which was developed by the American Kennel Club teaches pet owners that dogs should exhibit "good citizen" behaviors in the presence of other people and animals, in both the home and the community; and

WHEREAS, children and adults of all ages participate in Canine Good Citizen classes to learn the skills involved in responsible dog ownership; and

WHEREAS, with dog bites and animal concerns on the rise, there is a real need for dogs to remain well-behaved canine community members:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fifth General Assembly, First Regular Session, the Senate concurring therein, hereby encourage dog training programs and kennel clubs to provide training and education for community pet owners that result in dogs being "Canine Good Citizens".

Special Standing Committee on Urban Issues, Chairman Hoskins (80) reporting:

Mr. Speaker: Your Special Standing Committee on Urban Issues, to which was referred **HB 116**, begs leave to report it has examined the same and recommends that it **Do Pass**, and pursuant to Rule 25(32)(f) be referred to the Committee on Rules.

Committee on Rules, Chairman Parson reporting:

Mr. Speaker: Your Committee on Rules, to which was referred **HR 552**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE RESOLUTION NO. 552

WHEREAS, on February 4, 2009, the Governor submitted a Reorganization Plan to the General Assembly which would transfer postsecondary education assistance programs from various state departments to the Department of Higher Education; and

WHEREAS, Sections 26.500 to 26.540, RSMo, enacted in 1967, authorize the Governor to reorganize executive departments without prior approval from the General Assembly; and

WHEREAS, as set forth in Section 26.510, RSMo, a reorganization plan submitted to the General Assembly becomes effective 90 days after the final adjournment of the session of the General Assembly which it is submitted, unless it is disapproved within 60 days of its submission by adoption of a resolution by one house of the General Assembly; and

WHEREAS, unless the proposed Reorganization Plan contained in Executive Order 09-09 is disapproved by the General Assembly by April 5, 2009, the proposed Reorganization Plan will become effective August 28, 2009; and

WHEREAS, Executive Order 09-09 states that the proposal to transfer postsecondary education assistance programs from various state departments to the Department of Higher Education "will improve efficiencies within state government, as the Department of Higher Education already administers the vast majority of state grants and scholarships"; and

WHEREAS, transferring all postsecondary education assistance programs to the Department of Higher Education will not achieve the efficiency improvements within state government as proposed by the Reorganization Plan; and

WHEREAS, a change of this significance should not be undertaken without a full hearing in committee and debate of the full House of Representatives; and

WHEREAS, the postsecondary education assistance programs currently administered by state departments other than the Department of Higher Education are designed to target specialized areas such as the A+ Schools Program, the Missouri Teacher Education Scholarship Program, the Missouri Minority Teaching Scholarship Program, and the Urban Flight and Rural Needs Scholarship Program administered by the Department of Elementary and Secondary Education; the Large Veterinary Student Loan Program administered by the Department of Agriculture; and the Minority and Underrepresented Environmental Literacy Program administered by the Department of Natural Resources; and

WHEREAS, these programs are best served through administration by the state department with the expertise and experience in working within the specialized areas targeted by such programs; and

WHEREAS, the various state departments administering postsecondary education assistance programs have demonstrated success in matching students with the various scholarship and assistance provided by these specialized programs; and

WHEREAS, transfer and centralization of these specialized assistance programs to the Department of Higher Education may actually have the unintended consequence of inefficient administration of the financial assistance provided by these programs which would likely result from the Department of Higher Education's insufficient expertise and experience in the specialized areas needed to successfully and efficiently match and award assistance to students:

NOW, THEREFORE, BE IT RESOLVED by the members of the Missouri House of Representatives, Ninety-fifth General Assembly, First Regular Session, that the Reorganization Plan issued by Governor Jay Nixon on February 4, 2009, and read in the House on February 4, 2009, be disapproved; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Governor Jay Nixon.

Mr. Speaker: Your Committee on Rules, to which was referred **HR 736**, begs leave to report it has examined the same and recommends that it **Do Pass**.

HOUSE RESOLUTION NO. 736

WHEREAS, a new federal law aimed at protecting children from lead in toys has also forced a nationwide halt in sales of off-road motorcycles and recreational vehicles built for young riders, halting a multimillion-dollar industry that was thriving despite the recession; and

WHEREAS, on February 10, 2009, the new Consumer Product Safety Improvement Act (CPSIA) requirements that limit the lead content in all children's products went into effect; and

WHEREAS, under the CPSIA, "children's product" means a consumer product designed or intended primarily for children 12 years of age or younger; and

WHEREAS, youth model all-terrain vehicles (ATVs) and off-highway motorcycles, as well as parts and accessories for youth ATVs and motorcycles are severely impacted by the new lead limits established under the CPSIA; and

WHEREAS, over 50,000 U.S. citizens have requested through www.tomself.com alone that a letter be sent on their behalf to the Consumer Product Safety Commission voicing their concerns on this small powersports issue; and

WHEREAS, there are many other ongoing efforts which are receiving a large volume of responses from citizens similarly concerned with this small powersports issue; and

WHEREAS, as a result of the CPSIA, thousands of powersports dealers were told to halt all sales of vehicles designed for children 12 and younger, new and used; and

WHEREAS, the Motorcycle Industry Council estimates nearly 100,000 youth bikes were sold in the United States in 2008. An industry trade publication estimates the value of inventory at United States dealers which can no longer be sold probably exceeds \$100 million; and

WHEREAS, beyond the current inventory, there are millions and millions of dollars worth of parts now in the product pipeline to dealers that cannot be sold; and

WHEREAS, the industry estimates the retail market value for all off-road cycles and ATVs at \$14.5 billion a year, including sales, service, parts, accessories, and payroll; and

WHEREAS, consumers have borrowed significant amounts of money on untold hundreds of thousands of youth ATVs and motorcycles; and

WHEREAS, parts for these youth ATVs and motorcycles are now unavailable, which in many cases renders the ATV or motorcycle inoperable or not safely operable; and

WHEREAS, if parts are not readily available, owners and operators may be tempted or forced to go beyond normal maintenance and repair guidelines, resulting in an improperly performing machine; and

WHEREAS, some machines may require some wear parts to be replaced in as little as 10 hours of use and operators may try to operate improperly sized units if properly sized units are not readily available; and

WHEREAS, the Consumer Product Safety Commission needs to take a common sense approach to implementation of the CPSIA's lead provisions in order to avoid major disruptions to youth ATV and motorcycle enthusiasts, owners, manufacturers, and the dealer network of thousands of small, independent businesses which employ tens of thousands of Americans; and

WHEREAS, while protecting children from those products that truly present a lead risk is important, there should be a waiver or exclusion for products that do not present risk to children; and

WHEREAS, while the CPSIA provides for exclusions and authorizes the Consumer Product Safety Commission to grant exclusions under certain conditions, to date the Consumer Product Safety Commission has not granted any exclusions for youth ATVs and motorcycles; and

WHEREAS, any delay in providing a waiver or exclusion for youth ATVs and motorcycles creates an untenable situation for thousands of owners, manufacturers, and dealers, many of whom are small businesses. Huge inventories of products that present no health risk to children are rendered retroactively illegal, and future products are prohibited from sale; and

WHEREAS, a waiver or exclusion for youth ATVs and motorcycles is needed because, in the absence of government action, there likely will not be any new youth ATVs or motorcycles available for purchase in their local dealerships and owners will not be able to obtain parts for youth ATVs and motorcycles already purchased:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri House of Representatives, Ninety-fifth General Assembly, strongly urge the Consumer Product Safety Commission to provide a waiver or exclusion for youth ATVs and motorcycles from the lead limit requirements of the Consumer Product Safety Improvement Act; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the Consumer Product Safety Commission, the Congressional committees of the United States House and Senate with oversight of the Consumer Product Safety Commission, and each member of the Missouri Congressional delegation.

Mr. Speaker: Your Committee on Rules, to which was referred **HCR 16 with House Committee Substitute**, begs leave to report it has examined the same and recommends that it **Do Pass**.

Mr. Speaker: Your Committee on Rules, to which was referred **HJR 23 with House Committee Substitute**, begs leave to report it has examined the same and recommends that it **Do Pass**.
