

HB 69 -- Special Needs Child Adoption Tax Credit

Sponsor: Storch

This bill defines "adoption resource center" as a state-funded agency providing pre- and post-adoption services to families for preventing adoption disruption and recruiting adoptive parents. The bill specifies that qualified centers will get an equal portion of the unclaimed funds set aside for tax credits for non-recurring adoption expenses that is currently divided equally among court-appointed special advocates (CASA), child advocacy centers, and crisis care centers.

The bill also removes obsolete provisions regarding the adoption tax credit for special needs children.
