

HB 243 -- State Board of Embalmers and Funeral Directors

Sponsor: Molendorp

This bill expands the membership of the State Board of Embalmers and Funeral Directors within the Department of Insurance, Financial Institutions and Professional Registration from six to 11 by adding five consumer advocates. Two of the consumer advocates will be appointed by the Governor with the advice and consent of the Senate; one must be an employee of the Office of the Attorney General appointed by the Attorney General; and two must be employees from the Department of Health and Senior Services, one of which must be an employee of the Division of Aging, appointed by their respective directors.
