

HB 449 -- Fire Protection and Ambulance District Board Member
Qualifications

Sponsor: Roorda

Currently, an employee of a fire protection district or ambulance district is not allowed to serve as a board member of any fire protection or ambulance district while employed by any fire protection or ambulance district unless serving on a voluntary board. This bill allows an employee of a fire protection or ambulance district to serve as a board member of a fire protection or ambulance district if he or she is not employed by the district.
