

HB 539 -- Salvage Vehicles

Sponsor: Dixon

This bill allows all residents of the United States to attend salvage pool or salvage disposal sales rather than just licensed salvage dealers.

Currently, when a person who is not a resident of the United States buys a nonrepairable motor vehicle or a salvage motor vehicle, the seller must stamp the words "FOR EXPORT ONLY" on the face of the title and in each unused reassignment space on the back of the title and forward it to the Department of Revenue. The bill specifies that it is the operator of a salvage pool or salvage disposal sale or the subsequent purchaser who is required to fulfill these actions.
