

HB 542 -- School Aid Recalculation for Riverview Gardens

Sponsor: Walsh

This bill requires the Department of Elementary and Secondary Education to recalculate the state school aid for the Riverview Gardens School District due to the district setting its levy in the capital projects fund instead of the incidental fund in calendar year 2005. The department must calculate the amount the district would have received in state aid if the levy had been correctly placed and use the revised aid figure to distribute aid for Fiscal Year 2007 and subsequent years.

The bill contains an emergency clause.
