

HCS HB 657 -- BOAT DOCKS (Cooper)

COMMITTEE OF ORIGIN: Committee on State Parks and Waterways

Beginning January 1, 2010, this substitute requires a person owning a boat dock on a lake with at least 950 miles of shoreline or on a lake constructed or maintained by the United States Army Corps of Engineers with certain specified exceptions to display the appropriate 911 street address nearest to the dock by land. The substitute specifies how and where the address must be displayed. A person who fails to display the identifying information will be guilty of an infraction.

The infraction of abandoning a boat dock is changed to include all waters of the state, not just lakes with at least 950 miles of aggregate shoreline, and the fine for the infraction is removed.
