

HB 995 -- Missouri Healthy Workplace Recognition Program

Sponsor: Zerr

This bill requires the Department of Health and Senior Services to establish and develop the Missouri Healthy Workplace Recognition Program to recognize employers with more than 50 employees for excellence in promoting health, wellness, and prevention. The bill specifies the minimum criteria to receive the official state recognition. Five employers annually will be designated as the healthiest places to work in Missouri. The information will be posted on the department's web site, and the employer will receive a plaque.

The provisions of the bill will expire six years from the effective date.
