

HB 1043 -- County Coroner Compensation

Sponsor: Largent

This bill increases from \$1,000 to \$2,000 the amount of a noncharter county coroner's salary that will be withheld annually until the coroner completes at least 20 hours of educational training and makes educational training expense reimbursement mandatory rather than discretionary. The additional annual amount of compensation a deputy coroner will receive for completing at least 20 hours of educational training each year is increased from \$1,000 to \$2,000.
