

HB 1191 -- Public Teacher and School Employee Retirement Systems

Sponsor: Pratt

This bill changes the laws regarding the Public School Retirement System of Missouri and the Public Education Employee Retirement System of Missouri. In its main provisions, the bill:

- (1) Requires all board members of both systems to file financial interest statements pursuant to Section 105.483, RSMo;
- (2) Prohibits the systems from paying for gasoline use related to an employee's or board member's personal use of a company vehicle. Anyone violating this provision must reimburse the system for the cost of the gasoline;
- (3) Prohibits the systems from paying for or reimbursing any employee or board member of the systems for the cost of alcoholic beverages; and
- (4) Requires each board to create a subcommittee to review travel reimbursement policies to ensure that travel decisions will not result in higher travel expenses which ultimately increase members' costs.
